

The background of the slide is a soft, out-of-focus image of several Easter eggs. The eggs are white and decorated with various patterns and colors, including pink, yellow, and blue. Some eggs have floral designs, while others have simple dots or swirls. The eggs are resting on a light-colored, textured surface, possibly grass or a soft cloth. The overall color palette is pastel and gentle.

Armstrong, Philadelphia Church of God, *A River Could Be a Tree* Angela Himself, 2018-11-13 How does a woman who grew up in rural Indiana as a fundamentalist Christian end up a practicing Jew in New York Angela Himself was raised in a German American family one of eleven children who shared a single bathroom in their rented ramshackle farmhouse in Indiana The Himselfs followed an evangelical branch of Christianity the Worldwide Church of God which espoused a doomsday philosophy Only faith in Jesus the Bible significant tithing and the church's leader could save them from the evils of American culture divorce television makeup and even medicine From the time she was a young girl Himself believed that the Bible was the guidebook to being saved and only strict adherence to the church's tenets could allow her to escape a certain gruesome death receive the Holy Spirit and live forever in the Kingdom of God With self preservation in mind she decided at nineteen to study at The Hebrew University in Jerusalem But instead of strengthening her faith Himself was introduced to a whole new world one with different people and perspectives Her eyes were slowly opened to the church's shortcomings even dangers and fueled her natural tendency to question everything she had been taught including the guiding principles of the church and the words of the Bible itself Ultimately the connection to God she so relentlessly pursued was found in the most unexpected place a mikvah on Manhattan's Upper West Side This devout Christian Midwesterner found her own form of salvation as a practicing Jewish woman Himself's seemingly impossible road from childhood cult to a committed Jewish life is traced in and around the major events of the 1970s and 80s with warmth humor and a multitude of religious and philosophical insights *A River Could Be a Tree* A Memoir is a fascinating story of struggle doubt and finally personal fulfillment **And with All Your Mind** Steven H.
