The Playboy Interviews With John Lennon And Yoko Ono:

All We Are Saying John Lennon, Yoko Ono, David Sheff, 2024-03-26 Twenty years ago David Sheff climbed the back steps of the Dakota into the personal thoughts and dreams of John Lennon and Yoko Ono From the kitchen to the studio and up those fateful Dakota steps Sheff recorded 20 hours of tape discussing everything from childhood to the Beatles Sheff gives a rare and last glimpse of John and Yoko one that seemed to look beyond the kitchen table to the future of the world with startling premonitions of what was to come

The Playboy Interviews with John Lennon & Yoko Ono John Lennon, David Sheff, Yoko Ono, G. Barry Golson, 1981 Contains the complete text of the Playboy interview with John Lennon and Yoko Ono recorded shortly before Lennon's murder and includes Lennon's song by song analysis of his music [The Playboy Interviews with John Lennon and Yoko Ono](#) John Lennon, David Sheff, 1981 Tekst van de interviews gehouden met de Engelse popmusicus 1940 1980 en zijn vrouw

The Last Days of John Lennon James Patterson, 2020-12-07 Discover one of the greatest true crime stories in music history as only James Patterson can tell it With the Beatles John Lennon surpasses his youthful dreams achieving a level of superstardom that defies classification We were the best bloody band there was he says There was nobody to touch us Nobody except the original nowhere man Mark David Chapman Chapman once worshipped his idols from afar but now harbors grudges against those like Lennon whom he feels betrayed him He's convinced Lennon has misled fans with his message of hope and peace And Chapman's not staying away any longer By the summer of 1980 Lennon is recording new music for the first time in years energized and ready for it to be Just Like Starting Over He can't wait to show the world what he will do Neither can Chapman who quits his security job and boards a flight to New York a handgun and bullets stowed in his luggage The greatest true crime story in music history as only James Patterson can tell it Enriched by exclusive interviews with Lennon's friends and associates including Paul McCartney The Last Days of John Lennon is the thrilling true story of two men who changed history One whose indelible songs enliven our world to this day and the other who ended the beautiful music with five pulls of a trigger

John Lennon John Blaney, 2005

The Cynical Idealist Gary Tillery, 2012-12-13 A radio playlist could easily follow John Lennon's Mind Games with Do Ya Think I'm Sexy But comparing the two it becomes obvious that Lennon had more in common with the great thinkers of any age than with the songwriters who were his contemporaries Cynical Idealist reveals for the first time the spiritual odyssey of this extraordinary man Out of a turbulent life from his troubled working class childhood throughout his many roles Beatle peace advocate social activist househusband Lennon managed to fashion a philosophy that elevates the human spirit and encourages people to work individually and collectively toward a better world Like Socrates Lennon wanted to stimulate people to think for themselves There ain't no guru who can see through your eyes he sings in I Found Out Cynical Idealist beautifully articulates this and the other lessons John Lennon passed along through his songs and through the example of his life

David Sheff, 2025-03-25 Illuminating and affectionate an intimate and perceptive portrait Publishers Weekly An intimate and revelatory biography of Yoko Ono from bestselling author of Beautiful Boy John Lennon once described Yoko Ono as the world's most famous unknown artist Everybody knows her name but no one knows what she does She has only been important to history insofar as she impacted Lennon Throughout her life Yoko has been a caricature curiosity and often a villain an inscrutable seductress manipulating con artist and caterwauling fraud The Lennon Beatles saga is one of the greatest stories ever told but Yoko's part has been missing hidden in the Beatles formidable shadow further obscured by flagrant misogyny and racism This definitive biography of Yoko Ono's life will change that In this book Yoko Ono takes centre stage Yoko's life independent of Lennon was an amazing journey Yoko spans from her birth to wealthy parents in pre war Tokyo her harrowing experience as a child during the war her arrival in avant garde art scene in London Tokyo and New York City It delves into her groundbreaking art music feminism and activism We see how she coped under the most intense relentless and cynical microscope as she was falsely vilified for the most heinous cultural crime imaginable breaking up the greatest rock and roll band in history This book was nearly a half century in the making In 1980 David Sheff met Yoko and John when Sheff conducted an in depth interview with them just months before John's murder In the aftermath of the killing he and Yoko became close as she rebuilt her life survived threats and betrayals and went on to create groundbreaking art and music while campaigning for peace and other causes Drawing from his experiences and interviews with her her family closest friends collaborators and many others Sheff shows us Yoko's nine decades one of the most unlikely and remarkable lives ever lived Yoko is a harrowing moving propulsive and vastly entertaining biography of a woman whose story has never been accurately told The book not only rehabilitates Yoko Ono's reputation but elevates it to iconic status **Ringo** Michael Seth Starr, 2016-09-01 Ringo With a Little Help is the first in depth biography of Beatles drummer Ringo Starr who kept the beat for an entire generation and who remains a rock icon over fifty years since the Beatles took the world by storm With a Little Help traces the entire arc of Ringo's remarkable life and career from his sickly childhood to his life as The World's Most Famous drummer to his triumphs addictions and emotional battles following the breakup of the Beatles as he comes to terms with his legacy Born in 1940 as Richard Starkey in the Dingle one of Liverpool's most gritty rough and tumble neighborhoods he rose from a hardscrabble childhood marked by serious illnesses long hospital stays and little schooling to emerge against all odds as a locally renowned drummer Taking the stage name Ringo Starr his big break with the Beatles rocketed him to the pinnacle of worldwide acclaim in a remarkably short time He was the last member of the Beatles to join the group but also the most vulnerable and his post Beatles career was marked by chart topping successes a jet setting life of excess and alcohol abuse and ultimately his rebirth as one of rock's revered elder statesman **Artificial Paradise** Kevin Courrier, 2008-12-30 There is an epigram in this book from the Phil Ochs song Crucifixion about the Kennedy assassination that states I fear to contemplate that beneath the greatest love lies a hurricane of hate On February 11th 1963 the Beatles

recorded 'There's a Place' a dazzling unheralded tune which was included on their electrifying debut album 'Please Please Me'. This song firmly laid the foundation on which a huge utopian dream of the sixties would be built. Within that dream however also lay the seeds of a darker vision that would emerge out of the very counterculture that the Beatles and their music helped create. Thus even as their music attracted adoring fans it also enticed the murderous ambitions of Charles Manson and though the Beatles may have inspired others to form bands their own failed hopes ultimately led to their breakup. The disillusionment with the sixties and the hopes associated with the group would many years later culminate in the assassination of John Lennon and the attempted slaying of George Harrison by deranged and obsessive fans. In this incisive examination author Kevin Courrier 'Dangerous Kitchen: The Subversive World of Zappa' Randy Newman's 'American Dreams' examines how the Fab Four through their astonishing music and comically rebellious personalities created the promise of an inclusive culture built on the principles of pleasure and fulfillment. By taking us through their richly inventive catalogue Courrier illustrates how the Beatles' startling impact on popular culture built a bond with audiences that was so strong people today continue to either cling nostalgically to it or struggle and often struggle violently to escape its influence.
