

The Plot to Kill President Kennedy in Chicago and the Other Traces of Conspiracy Leading to the Assassination of JFK: A Visual Investigation delves deep into one of the lesser-known yet critical elements of the Kennedy assassination—the attempted plot to kill the president in Chicago, just weeks before his tragic death in Dallas. This meticulously researched book by renowned author Vince Palamara unveils the layers of conspiracy and negligence, focusing on the overlooked narratives, including the key role of the Secret Service and FBI.

Through riveting eyewitness accounts, declassified documents, and a visual exploration of the evidence, Palamara uncovers details about the men involved in the plot, the mistakes that allowed the Dallas assassination to proceed, and the broader implications of a conspiracy that transcended a single city. With interviews from former Secret Service agents and corroborated intelligence reports, this book rewrites the history of Kennedy's assassination, revealing a continuous thread of danger that stretched from Chicago to Dealey Plaza.

For anyone who wants to understand the full scope of what led to the darkest day in American history, this compelling investigation is a must-read.

"We seem to know a lot about the Secret Service, maybe even more than I do."

— Former JFK/LSJ Secret Service Agent Joseph Puccio

"I want you to know that I appreciate your determination to bring forth the truth concerning the Secret Service of the 60s."

— Former JFK Chicago office Secret Service Agent Gordon Baker

"I continue to be impressed with your interest in political affairs and the Kennedy assassination in particular."

— Former JF/LSJ Secret Service Agent Curt S. Worsick

Vince Palamara is the leading civilian Secret Service authority and the author of the books *Survivor's Guilt: The Secret Service and the Failure to Protect President Kennedy* (2013), *JFK: From Portland to Bethesda: The Ultimate Kennedy Assassination Compendium* (2015), *The Not So Secret Service: Agency Tales from PDF to the Kennedy Assassination to Ron Reagan Era* (2017), *Who's Who in the Secret Service: History's Most Misplaced Agents* (2018), and *Honest Answers About the Murder of President John F. Kennedy: A New Look at the JFK Assassination* (2020). Vince has also appeared on *The Men Who Killed Kennedy*.

The Plot To Kill The President:

Plotting to Kill the President Mel Ayton, 2017-02 Since the birth of our nation and the election of the first president groups of organized plotters or individuals have been determined to assassinate the chief executive From the Founding Fathers to the Great Depression three presidents have been assassinated Abraham Lincoln James Garfield and William McKinley However unknown to the general public almost all presidents have been threatened put in danger or survived near lethal approaches during their terms Plotting to Kill the President reveals the numerous previously untold incidents when assassins plotters and individuals have threatened the lives of American presidents from George Washington to Herbert Hoover Mel Ayton has uncovered these episodes including an attempt to assassinate President Hayes during his inauguration ceremony an attempt to shoot Benjamin Harrison on the streets of Washington an assassination attempt on President Roosevelt at the White House and many other incidents that have never been reported or have been covered up Ayton also recounts the stories of Secret Service agents and bodyguards from each administration who put their lives in danger to protect the commander in chief Plotting to Kill the President demonstrates the unsettling truth that even while the nation sleeps those who would kill the president are often hard at work devising new schemes **The Plot to Kill the President**

George Robert Blakey, Richard N. Billings, 1981 *It's Time for the Truth!* Charles E. Hulburt, 2014-11-21 Containing a synopsis of every facet of the assassination that stunned a nation and the subsequent investigations this volume is the essential reference tool for experts and novices alike Overviews and details of events conflicts cover ups and profiles of prominent theorists are clearly presented in this primer With rigorous research and documentation the author provides the most compelling and complete text ever written about the crime of the century **The Assassination of JFK** Robert A. Wagner, 2017-03-07 The Assassination of JFK Perspectives Half a Century Later is the result of a reconciliation of widely divergent views of the assassination and who was responsible For more than fifty years the JFK assassination has ignited impassioned argument from those who believe the Warren Commission's conclusion that one man Lee Harvey Oswald acted alone in killing President John F Kennedy and those who believe that the assassination was spearheaded by the KGB Castro the mob anti Castro revolutionaries the military complex the CIA or even Kennedy's successor Lyndon Baines Johnson to name only a few The conspiracy theories are almost too numerous to list and even include the fervent belief that Kennedy's body was stolen prior to autopsy on the very evening of the assassination for the purpose of doctoring the body to frame Oswald Bob Wagner digs into the enormous record of the assassination created by two government investigations and thousands of books and articles written by investigators researchers and historians Bob describes the divergent views as being akin to two groups dividing the pieces of a jigsaw puzzle in half and attempting to produce complete pictures with their incomplete pieces Once all the puzzle pieces are organized and properly fit together however as Bob's painstaking work shows a real picture emerges and the truth comes into focus Bob thoroughly reviews the head spinning morass of fact

conjecture and conspiracy theories regarding the assassination of JFK and makes them understandable to those knowing little about the assassination much less all of the conspiracy theories that abound The Assassination of JFK Perspectives Half a Century Later presents the clearest case against Arlen Specter's infamous single bullet theory while also demonstrating why it is clear that Lee Harvey Oswald fired the only shots in Dealey Plaza on November 22, 1963 Visit

How to Get Rid of a President David

Priess, 2018-11-13 A vivid political history of the schemes, plots, maneuvers, and conspiracies that have attempted successfully and not to remove unwanted presidents To limit executive power the founding fathers created fixed presidential terms of four years giving voters regular opportunities to remove their leaders Even so Americans have often resorted to more dramatic paths to disempower the chief executive The American presidency has seen it all from rejecting a sitting president's renomination bid and undermining their authority in office to the more drastic methods of impeachment and most brutal of all assassination How to Get Rid of a President showcases the political dark arts in action a stew of election dramas, national tragedies, and presidential departures mixed with party intrigue, personal betrayal, and backroom shenanigans This briskly paced, darkly humorous voyage proves that while the pomp and circumstance of presidential elections might draw more attention, the way that presidents are removed teaches us much more about our political order

A Lie Too Big to Fail Lisa Pease, 2018-12-18 In *A Lie Too Big to Fail*, longtime Kennedy researcher of both JFK and RFK, Lisa Pease lays out in meticulous detail how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department, how evidence was deliberately altered and in some instances destroyed, and how the justice system and the media failed to present the truth of the case to the public Pease reveals how the trial was essentially a sham and how the prosecution did not dare to follow where the evidence led *A Lie Too Big to Fail* asserts the idea that a government can never investigate itself in a crime of this magnitude Was the convicted Sirhan Sirhan a willing participant? Or was he a mind-controlled assassin? It has fallen to independent researchers like Pease to lay out the evidence in a clear and concise manner, allowing readers to form their theories about this event Pease places the history of this event in the context of the era and provides shocking overlaps between other high-profile murders and attempted murders of the time Lisa Pease goes further than anyone else in proving who likely planned the assassination, who the assassination team members were, and why Kennedy was deemed such a threat that he had to be taken out before he became President of the United States

Current History, 1926 **The New York Times Current History**, 1925 *Midnight on the Potomac* Scott Ellsworth, 2025-07-15

From the author of *The Ground Breaking*, longlisted for the National Book Award, comes a riveting saga of the last year of the Civil War and a revealing new account of the assassination of Abraham Lincoln Told with a page-turning pace, *New York Times* bestselling author and historian Scott Ellsworth has written the most compelling new book about the Civil War in years Focusing on the last desperate months of the war when the outcome was far from certain *Midnight on the Potomac* is a story of titanic battles

political upheaval and the long forgotten Confederate terror war against the loyal citizens of the North Taking us behind the scenes in the White House along the battlefronts in Virginia and into the conspiracies of spies and secret agents Lincoln walks these pages as do Grant and Sherman But so do common soldiers runaway slaves and an unknown but intrepid female war correspondent named Lois Adams Rarely if ever has a book about the Civil War featured such a rich and diverse cast of characters Midnight on the Potomac will also shatter some long held myths For more than a century and a half the Lincoln assassination has been portrayed as the sole brainchild of a disgruntled pro South actor But based on both obscure contemporary accounts and decades of long ignored scholarship Ellsworth reveals that for nearly one year before the tragic events at Ford s Theatre John Wilkes Booth had been working closely with agents of the Confederate Secret Service And the real Booth is far from the one we ve long been presented with Deeply researched yet captivantly written Midnight on the Potomac is a new kind of book about the Civil War In it you will read about the Confederate attempt to burn down New York City how Lincoln almost lost the presidency about the Rebel general who nearly captured Washington and how thousands of enslaved African Americans freed themselves and helped secure their nation s survival In an age of deep political division such as our own Scott Ellsworth s book is an eloquent and gripping testament to the courage grit and greatness of the American people

Crime of the Century Michael L. Kurtz, 2013-12-01 Now a classic Michael Kurtz s *Crime of the Century* recounts the assassination of President John F Kennedy on November 22 1963 and provides a detailed critical analysis of the investigations of the Warren Commission and the House Select Committee on Assassinations Kurtz outlines the major areas of controversy about the assassination and sifts all the known evidence before concluding that both official inquiries failed to evaluate the considerable evidence of an assassination conspiracy Kurtz also examines each of the most prevalent conspiracy theories and shows how often they fail to fit the facts This third edition includes a new introduction based on updated information about the assassination since the second edition was published in 1993 including material from the National Archives and several major recent interpretations of the events Drawing on a variety of primary source materials from the National Archives and the FBI s and CIA s declassified assassination files *Crime of the Century* remains a book of importance not only to students of the Kennedy assassination but also scholars of government response to political violence
