The Politics Of Magic:

The Politics of Magic Qinna Shen, 2015-06-15 Shen's study will be significant reading for teachers and students of folklore studies and for scholars of German Eastern European cultural film media and gender studies **Magic and Modernity** Birgit Meyer, Peter Pels, 2003 This is the first book to explore comparatively how magic usually portrayed as the antithesis of the modern is also at home in modernity The Politics of Magic Fintan O'Toole, 1987 The Politics of Magic Fintan O'Toole, 1987 **The Politics of the Empire** Ronnie Lee, This is my 15th philosophy and poetry book It delves into the political truths of the modern era that covers different ideologies and enters the realms of the spiritual and magical that opens up new insights into the strategies of the grandmasters of politics This book will explain the history of politics of the elites and their plans of their New World Order With other topics included in this book from religion existentialism business and science there is a fountain of knowledge for people who want to understand a universal and coherent philosophy of politics **The Politics of Magic** Corinne M. Arraéz, 1994 The Politics of Fantasy Eliot Borenstein, 2025 What happened when J K Rowling's mega blockbuster born in the United Kingdom and launched to global heights by Hollywood and the full force of Western marketing came knocking on President Putin's door The arrival of boy wizard and international star Harry Potter in a recently neoliberal Russia was enormously influential but neither smooth nor uncontested The franchise quickly became a lens that focused Russian ambitions and fears during an era characterized by both the hegemony of globalized popular culture and a nationalized conservative backlash With crisp engaging prose Eliot Borenstein leaps from Harry Potter into an exploration of the culture wars and moral panics sparked in Russia by Western inspired children's literature extending back into the Soviet period and through the invasion of Ukraine As cultural products pitched ostensibly to children the Harry Potter books and films became the perfect objects for criticism translation adaptation parody attack mimicry and meme making allowing Russians to carve out their own space in the worldwide market of magical multiverses **The Politics of Evil** Clifton Crais, 2002-10-17 In *The Politics of Evil* Clifton Crais provides a unique interpretation of South African history power culture and resistance **The Politics of Opera in Post-War Venice** Harriet Boyd-Bennett, 2018-09-13 Focusing on opera and modernism in postwar Venice Boyd Bennett challenges assumptions about music in the twentieth century **Democracy, Corruption and the Politics of Spirits in Contemporary Indonesia** Nils Bubandt, 2014-06-05 Indonesia has been an electoral democracy for more than a decade and yet the political landscape of the world's third largest democracy is as complex and enigmatic as ever The country has achieved a successful transition to democracy and yet Indonesian democracy continues to be flawed illiberal and predatory This book suggests that this and other paradoxes of democracy in Indonesia often assume occult forms in the Indonesian political imagination and that the spirit-like character of democracy and corruption traverses into the national media and the political elite Through a series of biographical accounts of political entrepreneurs all of whom employ spirits in various but always highly contested ways the

book seeks to provide a portrait of Indonesia's contradictory democracy contending that the contradictions that haunt democracy in Indonesia also infect democracy globally Exploring the intimate ways in which the world of politics and the world of spirits are entangled it argues that Indonesia's seemingly peculiar problems with democracy and spirits in fact reflect a set of contradictions within democracy itself Engaging with recent attempts to look at contemporary politics through the lens of the occult Democracy Corruption and the Politics of Spirits in Contemporary Indonesia will be of interest to academics in the fields of Asian Studies Anthropology and Political Science and relevant for the study of Indonesian politics and for debates about democracy in Asia and beyond
