

THE POLITICS OF TORCH

The Allied Landings
and the Algerian Problem, 1941
by John A. Foss

The Allied invasion and occupation of North Africa, one of the most important and complex operations in World War II, is described from a unique viewpoint in this volume. The author traces the political actions and policies that culminated in the invasion of MOROCCO, adding some accounts that French as well as the Anglo-American historians. His approach includes the reaction in France which was happening in Washington, London, Algiers, and other in the meantime, was pursued and finally launched. Algeria, at the political level, for the operations in the region of operations in the field.

Frank, standing in the center of MOROCCO, was a Moroccan division and conducted the campaign from the Western Sahara to the coast. The plan for the invasion was completed with French leaders present in the knowledge, according to the terms of the Franco-American Agreement.

The issue of Operation TORCH will be of significant interest to historians, military, and French scholars, as well as to students of current national relations.
