

The background of the slide features a bright sun rising over a blue ocean. The sun is positioned in the upper center, with its rays fanning out across the sky and reflecting on the water's surface. The sky is a clear, light blue, and the ocean is a deep blue with visible ripples. The overall scene is bright and serene.

Bailey, 2023-11-01 This compilation from the books of Alice Bailey seeks to increase understanding of the immortal soul addressing many aspects under sixty two headings The creative nature of the Soul On its own plane the soul knows no separation and the factor of synthesis governs all soul relations The soul is occupied not only with the form that the vision of its objective may take but with the quality or the meaning which that vision veils or hides The soul knows the Plan its form outline methods and objective are known Through the use of the creative imagination the soul creates it builds thought forms on the mental plane and objectifies desire on the astral plane It proceeds then to externalise its thought and its desire upon the physical plane through applied force creatively actuated by the imagination of the etheric or vital vehicle Yet because the soul intelligence motivated by love it can within the realised synthesis which governs its activities analyse discriminate and divide The soul likewise aspires to that which is greater than itself and reaches out to the world of divine ideas and thus itself occupies a midway position between the world of ideation and the world of forms This is its difficulty and its opportunity

Ancient Mysteries And Modern Masonry Charles H. Vail, 2013-10-24 The purpose of these lectures is to consider the origin and nature of the Ancient Mysteries and Modern Masonry and to show the relation which they bear one to the other Freemasonry deals largely with the morals and symbols of the Mysteries of Antiquity and originally was one of the channels of Ancient Wisdom There were a few among the founders of Modern Masonry who possessed the Royal Secret or at least had a knowledge of its existence and if the key has been lost the Mason as Heir apparent of the Old Wisdom should be foremost in the search for its recovery All agree that the Masonic symbols and traditions are of the greatest antiquity and can be traced to the far East to the earliest civilization from which time and place they have spoken in nature s language to all

peoples of the earth We are more and more convinced that this picture language of our ritual contains a most complete philosophy a knowledge embracing the eternal verities of the universe and that these symbols were designed by the Initiates of old to preserve and convey that Ancient Wisdom to the present and future generations Though empires and dynastic continents have appeared and passed away these ancient symbols hewn in rock cut temples and monuments have served to convey the Great Secret from ages past and will continue its record as long as this part of the universe remains *The Theosophic Messenger* ,1913
