[The Politics of Che Guevara](#) Samuel Farber, 2016-05-18 This reexamination of Ernesto Che Guevara's thoughts on socialism democracy and revolution is a must read for today's activists or anyone longing to fight for a better world Fifty years after his death Guevara remains a symbol to legions of young rebels and revolutionaries This unique book provides a way to critically engage with Guevara's

economic views his ideas about revolutionary agency and his conduct as guerrilla commander and government administrator in Cuba Samuel Farber was born and raised in Cuba He has written extensively on Cuba and the Cuban Revolution and is author of *Cuba Since the Revolution of 1959* **Marxist Thought in Latin America** Sheldon B. Liss,1984 *The A to Z of Marxism* David Walker, Daniel Gray,2009-08-13 Marxism one of the few philosophies that turned into an effective movement was not so long ago the official ideology in one form or another of much of humanity It was initially promulgated by the Soviet Union then imposed on Central and Eastern Europe later emerged in the People s Republic of China and gradually spread to other parts of Asia Africa and Latin America Although declining in popularity the movement still remains in power in several countries and is supported by numerous parties and countless individuals around the world The A to Z of Marxism covers in a comprehensive manner the history of Marxism and its philosophers and schools of thought It contains a chronology a list of acronyms and abbreviations an introductory essay a bibliography and hundreds of cross referenced dictionary entries on basic terms and concepts as well as significant people parties and countries Book Jacket Global Justice Ernesto Che Guevara,2015-04-01 Is there an alternative to the neoliberal globalization that is ravaging our planet These classic works by Ernesto Che Guevara present a revolutionary view of a different world in which human solidarity and understanding replace imperialist aggression and exploitation Included in this book are Socialism and Man in Cuba Message to the Tricontinental Create two three many Vietnams Speech in Algiers at the Afro Asian solidarity conference Ernesto Che Guevara was born in Argentina and traveled through Latin America before joining the Cuban revolutionary movement that toppled the Batista dictatorship in 1959 Although best known as a guerrilla fighter this book shows Che as a profound thinker with a radical world view that still strikes a chord with young rebels in every country today Life Without Money Anitra Nelson,Frans Timmerman,2011-11-07 The money based global economy is failing The credit crunch undermined capitalism s ability to ensure rising incomes and prosperity while market led attempts to combat climate change are fought tooth and nail by business as environmental crises continue We urgently need to combat those who say there is no alternative to the current system but what would an alternative look like The contributors to Life Without Money argue that it is time radical non market models were taken seriously The book brings together diverse voices presenting strong arguments against our money based system s ability to improve lives and prevent environmental disaster Crucially it provides a direct strategy for undercutting capitalism by refusing to deal in money and offers money free models of governance and collective sufficiency Life Without Money is written by high profile activist scholars including Harry Cleaver Ariel Salleh and John O Neill making it an excellent text for political economy and environmental courses as well as an inspiring manifesto for those who want to take action Thinkers, Activists, and Politics R. G. Williams,2025-06-27 This book is a collection of critical essays that examines the lives politics and ideas of several radical activists writers and revolutionaries over the past two centuries individuals who fought for human freedom Spanning figures from Karl Marx to Che Guevara the essays delve into the

challenges these revolutionaries faced and how their bold ideas reshaped political thought They also highlight how the legacy of their actions continues to fuel debates about freedom humanity and the role of the individual in modern society People often interpret the world real revolutionaries attempt to change it
