The Marys Answer For Our Troubled Times:

Answers For Troubled Times Paul F. Ruggieri,2021-06 A silent battle rages for your soul The warriors are invisible and their weapons are unconventional So unconventional in fact that we invite them into our lives Each time we turn on the TV computer watch a video on a phone listen to music or go to the movies our door is opened This book explains the process used by demons to break down your moral values through multimedia Their goal is to push each of us far away from faith in God Their prize is your soul Defend yourself Learn how to put on spiritual armor in this battle Every key aspect of the Catholic faith is explained with Scriptural evidence proving Catholicism is the ONE TRUE FAITH Biblical evidence includes the Eucharist Confession Purgatory the papacy and many other aspects of the faith Do you or someone you know struggle with faith Are you aware of TV and multimedia influence in your life Do you know how to deal with lust What about abortion Can you respond with Scriptures when people of other faiths attack your Catholic beliefs Do you want a relationship with Jesus Do you know how to strengthen your faith You will find these answers and more inside No need to read huge books or endless internet text to find the Scriptures and Church teachings necessary to defend the faith It is all here within 96 pages Plus nowhere else will you find this information on multimedia spiritual warfare Now young and old will understand how to win this war and thrive in a deeper relationship with Jesus Christ Paul Ruggieri is a 34 time Emmy Award winning Producer Editor and TV Photojournalist His career spans 33 years and includes work with local national and international broadcasters

Beyond Mary or Martha Jennifer S. Wyant, 2019-11-08 Explore a tale of two sisters. Beyond Mary or Martha: Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany who have been at the center of many debates for almost two thousand years. Jennifer S. Wyant begins her study with a close reading of the sisters' first encounter with Jesus in Luke 10:38-42, then moves on to patristic, medieval, and modern interpretations of that narrative. Wyant tracks how Mary and Martha both became paradigms of discipleship, revealing the inherent tension within Christianity between contemplative practices and acts of service. By placing ancient debates alongside more modern ones, she argues that contrary to discussions today within academic and religious circles, gender is not the most important aspect of their story. Features a thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history. Interpretations from medieval women and their contributions to interpretation of Mary and Martha. A visual exegesis of the art representing the passage throughout history.
