Women's Agency and Rituals in Mixed and Female Masonic Orders Alexandra Heidle,J.A.M. Snoek,2008-12-31 Women have been structurally part

Forsberg Jr., 2016-02-29 *Divine Rite of Kings Land Race Same Sex and Empire in Mormonism and the Esoteric Tradition* is a social historical political analysis of the religion of the Latter day Saints as deeply indebted to a variety of esoteric systems of belief It argues that the present campaign against gay marriage and other homophobic policies of the American religion targeting the LGBTQ community and indeed children of same sex parents are connected to erstwhile racial doctrines and practices which excluded persons from full fellowship on the basis of race alone Africans the supposed offspring of Cain and Canaan and thus cursed Narrow heterosexual notions of sexual purity merely replaced Anglo Saxon supremacist notions of racial purity in the imperial and the millennial understanding of Mormonism The new heterosexism this book suggests can be viewed as a form of boundary maintenance better suited to an emergent international church and world religion ironically which continues to make inroads in parts of Asia where its social conservatism and indeed virulent attacks against the gay and lesbian lifestyle continue to attract followers **Method Infinite: Freemasonry and the Mormon Restoration**

Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry's rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines *Method Infinite Freemasonry and the Mormon Restoration* offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith's firsthand knowledge of and experience with both
