The Masque of the Red Death (Short Story Books) (Hardcover)  
Edgar Allan Poe, 2018-08-26 The Masque of the Red Death is a classic short story by Edgar Allan Poe first published in 1842 and considered an emblematic tale of gothic fiction Featuring many of the tropes which define the genre we witness in its pages a grim setting of a castle and its multiple rooms which themselves resemble aspects of human personality The story is not without its ironies Prospero s castle while mighty as an ideal guard against the disease ravaging the lands outside ultimately serves as an oppressor to the Prince Prospero his wealthy guests and his retinue As the tension ratchets and the great and majestic masquerade turns to one of horror we witness Poe s evocative flair for grim and horrific prose Given the description of its symptoms it is possible that the titular Red Death was inspired by tuberculosis which was rife among the European continent throughout the 19th century The Red Death somewhat resembles a highly accelerated form of consumption which was a terror in society
