How the story started Once upon a time Spark a small dragon lived in the magical land of Misty Meadows Spark was not like other dragons In fact he was the smallest dragon anyone had ever seen He was a sight to behold His green scales sparkled and his wings were as thin as gossamer Even though Spark was small he had big dreams and a brave heart He wanted to do big things like the big dragons he had heard about He spent his days exploring the beautiful fields and playing with his animal friends in the woods Spark always wanted more One beautiful morning Spark was flying around when he saw a brightly colored bird It said that there would be a race called the Great Dragon Games in which dragons of all sizes could take part Spark s little heart was

racing with happiness He knew this was his chance to show that even tiny dragons can have the biggest hearts Spark gathered up his courage and went to the Dragon s Roost where the Great Dragon Games were going to be held The trip wasn t easy for a dragon of his size He had to go through thick woods cross dangerous rivers and even trick a group of sneaky goblins Spark kept going because he was driven by his strong desire After traveling for days Spark gets to the Dragon s Roost As dragons of all shapes sizes and colors came from all over the place was filled with energy Spark s heart skipped a beat but he didn t let the fact that he was short stop him He was going to do everything he could There were many different contests at the Great Dragon Games and each one tried a different skill The Fiery Ring Race was the first time dragons had to fly through a number of flaming hoops Spark knew he couldn t fly as quickly as the others but he was quick and smart He didn t run through the hoops Instead he flew around them using his speed and agility Spark won a special prize for being creative because the judges were impressed by how he did things differently The Crystal Maze Challenge which was a test of intelligence and skill came next Dragons had to get through a maze full of magical hurdles to find a valuable gem Spark was small so he could quickly move through small areas and around tight turns As he ran quickly through the maze his green scales sparkled in the dim light He saw the gem right away which got him another round of praise from the crowd The Sky High Soar was the last game and the hardest one Dragons had to fly to the top of the Enchanted Mountains while dodging stormy clouds and strong winds When Spark looked up at the tall hills he felt both excited and scared But he wouldn t give up With each beat of his little wings he went higher and higher never losing sight of his goal As Spark reached the top the crowd cheered loudly They were impressed by how brave and determined the small dragon was Even more important than the Sky High Soar Spark had won the love and respect of his fellow dragons Spark went back to Misty Meadows happy and proud of how well he did at the Great Dragon Games The animals in the woods cheered and praised him because they were proud of their brave friend Spark s story about being brave and persistent taught young dragons and other animals to believe in themselves and be proud of what makes them different His story showed that a person s worth is not based on how tall they are but on how brave and driven they are Spark went on exciting adventures where he found new places and helped people who were in trouble He In Misty Meadows he became a sign of hope and inspiration a reminder that even the smallest of them could do big things Spark s status as the little dragon with the biggest heart grew with every new adventure he went on and act of kindness he had Eldor a wise old dragon took notice of Spark because he was brave and didn t care about himself Eldor went to see Spark because he was amazed by how good he was He told Spark about his own great adventures Spark got a special amulet from Eldor because he was brave and helped bring peace back to Misty Meadows Spark s size could be changed at will by the charm Spark can change into a bigger dragon that can do even more powerful things with just one touch Spark s size used to be seen as a bad thing but now he sees it as a chance to make an even bigger difference in the world around him Spark used his new skill to keep exploring the strange places beyond Misty Meadows He solved problems

and helped people in need as he went through beautiful woods over dangerous mountains and into secret tunnels Because he was small he could get into small spaces go to hard to reach places and talk to animals that others might have missed With each new adventure Spark s notoriety grew Dragons from other lands came to him for advice and animals of all sizes saw him as a sign of hope Spark s kind and brave deeds became famous and they still inspire people today *The Impossible Maze* Gareth Moore,2018-07-15 Mazes are a fun thought provoking activity for young minds This creative book will challenge readers to solve a number of entertaining puzzles They ll learn that with the right techniques and skills the seemingly impossible is actually possible Colorful illustrations accessible language and relatable characters guide readers through each twist and turn of the maze Completing a puzzle is a fun goal that will inspire readers to keep going and finish each challenge this captivating book has to offer **Dragon Overnight (Upside-Down Magic #4)** Sarah Mlynowski,Lauren
