The Mbas Guide To Career Planning:

The MBA's Guide to Career Planning Elwood F. Holton,1989 *An MBA's Guide to Self-assessment and Career Development* James G. Clawson,David D. Ward,1986 **The MBA Field Guide: How to Get In & What to Expect at the World's Renowned Programs , Job Search Guide ,**1994 Career Development David H. Montross,Christopher J. Shinkman,1992 **Journal of Career Planning & Employment ,**1991 **Career Planning Strategies** C. Randall Powell,2004 Career Planning Strategies is designed to be used by anyone looking to enter into a new career or job field This text will help students discover career happiness and job satisfaction The approach of this text goes beyond the one shot job hunt It shows students how to be continuously in charge of their career The focus of Career Planning Strategies is on planning Planning involves developing a systematic approach to the direction students want their working life to take The approach described in this book not only sets the plan but shows students how to implement it as well Excellent source for resume material Helps prepare students for interviews Applicable for senior seminar courses For junior senior career planning courses *The International MBA Student's Guide to the U.S. Job Search* WetFeet (Firm),WetFeet,2008

Rentz's Student Affairs Practice in Higher Education (6ed) Najjian Zhang & Associates,2024-03-22 Rentz s Student Affairs Practice in Higher Education introduces readers to the functions of all student affairs services on college campus and to the nuts and bolts on what student affairs professionals in each specific area do to achieve their goals of providing students with meaningful collegiate experiences and accomplish the institution s mission The book not only includes the evolution of student affairs but also how its philosophy and theories are integrated into its practice By reading this edition experienced student affairs professionals will acquire a thorough understanding of each student affairs service on college university campus and increase their competence in practice This new sixth edition has 17 chapters which include the philosophical heritage of student affairs historical perspective of higher education and student affairs admissions to enrollment management academic advising career services counseling centers student conduct multicultural affairs and special support services orientation residence halls student life programs fraternity and sorority life collegiate recreation financial aid student learning assessment health services and future of student affairs It has been integrated with the most recent literature on student affairs development especially how the global pandemic has impacted the practice of student affairs in higher education and how the social political and economic dynamics at the national level have influenced the climate of college and university campus as well as the most recent professional standards A unique feature of the book is that its contributors are expert practitioners and scholars Through this book student affairs professionals will learn knowledge and wisdom not only from the current generation in student affairs but also from the generations many years in the past The sixth edition has advanced the knowledge base of student affairs while inheriting its values and missions for higher education **Strategic Staffing** Jean M.
