Turkey, Islam, Nationalism, and Modernity Carter V.

Findley,2010-09-21 Book Description Publication Date August 30 2011 Turkey Islam Nationalism and Modernity reveals the historical dynamics propelling two centuries of Ottoman and Turkish history As mounting threats to imperial survival necessitated dynamic responses ethnolinguistic and religious identities inspired alternative strategies for engaging with modernity A radical secularizing current of change competed with a conservative Islamically committed current Crises sharpened the differentiation of the two streams forcing choices between them The radical current began with the formation of reformist governmental elites and expanded with the advent of print capitalism symbolized by the privately owned Ottoman language newspapers The radicals engineered the 1908 Young Turk revolution ruled empire and republic until 1950 made secularism a lasting belief system and still retain powerful positions The conservative current gained impetus from three history making Islamic renewal movements those of Mevlana Halid Said Nursi and Fethullah Gulen Powerful under the empire Islamic conservatives did not regain control of government until the 1980s By then they too had their own influential media Findley s reassessment of political economic social and cultural history reveals the dialectical interaction between radical and conservative currents of change which alternately clashed and converged to shape late Ottoman and republican Turkish history *Olive Production Manual* G. Steven Sibbett,Louise Ferguson,2005 This bestselling manual is the definitive guide to olive production in California This 180 page manual is fully illustrated with 40 tables 19 line drawings and 36 charts and 100 color and black and white photos The most notable additions to this edition include a new chapter on deficit irrigation a greatly expanded chapter on olive oil production and coverage of four new pests including the olive fly Includes production techniques for commercial growers worldwide from orchard planning and maintenance to harvesting and postharvest processing Contains information on pollination pruning for shaker and vertical rotating comb harvest mechanical pruning deficit irrigation mechanical harvesting methods including trunk shaking and canopy contact harvesters postharvest handling and processing methods and olive oil production Also includes information on new pests including olive fly oleander scale olive mite and black vine weevil Environment and Ecology in the Mediterranean Region Recep Efe,Shahina Ghazanfar,Munir Ozturk,2012-03-15 The Mediterranean Basin with its mountainous shores high biodiversity and spectacular scenery is located at the intersection of Africa and Eurasia Through the 8000 years of human development in this area there have been tremendous changes in its history and biogeography Approximately 300 million people live here today Although the evergreen maquis vineyards olive plantations and natural woodlands cover the lands all over the basin it is facing severe destruction of habitats due to deforestation intensive grazing fires and in particular a severe coastal degradation due to infrastructure development which is changing the landscape Both the historical heritage and geography of the land is facing a great threat due to urbanisation and fragmentation Time has come for its inhabitants to weigh their impact on its ecogeography in order to save the biodiversity as well as the history of the basin This book synthesises the knowledge from different disciplines so as to increase awareness among the humans in the basin **A Rich and Tantalizing Brew** Jeanette

M. Fregulia, 2019-03-04 The history of coffee is much more than the tale of one luxury good it is a lens through which to consider various strands of world history from food and foodways to religion and economics and sociocultural dynamics A Rich and Tantalizing Brew traces the history of coffee from its cultivation and brewing first as a private pleasure in the highlands of Ethiopia and Yemen through its emergence as a sought after public commodity served in coffeehouses first in the Muslim world and then traveling across the Mediterranean to Italy to other parts of Europe and finally to India and the Americas At each of these stops the brew gathered ardent aficionados and vocal critics all the while reshaping patterns of socialization Taking its conversational tone from the chats often held over a steaming cup A Rich and Tantalizing Brew offers a critical and entertaining look at how this bitter beverage with a little help from the tastes that traveled with it chocolate tea and sugar has connected people to each other both within and outside of their typical circles inspiring a new context for sharing news conducting business affairs and even plotting revolution **5th International Congress on , Roots of Ancient Greek Civilization** Harald Haarmann, 2014-09-17 Contrary to a prevalent belief of the Western world that democracy agriculture theater and the arts were the attainments of Classical Greek civilization these were actually a Bronze Age fusion of earlier European concepts and Hellenic ingenuity This work considers both the multicultural wellspring from which these ideas flowed and their ready assimilation by the Greeks who embraced these hallmarks of civilization and refined them to the level of sophistication that defines classical antiquity
