The Medium:

The Medium in Manolos Lauren Robertson, 2017 Told with compassion humour and warmth *The Medium in Manolos* follows a millennial medium's journey from grieving granddaughter to empowered woman medium and coach offering her lessons learned as teaching points along the way

The Medium's Story Ken Morris, 2009-06-08 This is the true life story of Ken Morris and how he went from being a child frightened by the sight of a ghost in his bedroom to one of the United Kingdom's top Spiritualist Mediums After being awakened by the spirit of a young boy sitting on the end of his bed at the tender age of seven Ken has spent most of his childhood and adult life communicating with Spirit and learning how to pass on the messages they have for those on the Earth Plane Find out how Spirit helped Ken while he was a boy in school while he was raising his younger sisters and brother and in his first job as an adult Travel with him as he goes from church to church giving messages that prove life after death really does exist Join him as he clears houses of unwanted spirit and helps guide and protect the public during paranormal investigations at some of England's most haunted locations Included in the book is a section of poetry designed to bring comfort to those who have lost a loved one and descriptions of spiritual things ordinary people can be taught to do such as reading tea leaves and doodles

The Priest and the Medium (EasyRead Large Bold Edition) , *The Emerging Contours of the Medium* Richard Müller, 2024-01-11 *The Emerging Contours of the Medium* explores a crucial aspect of media thinking focusing particularly on the mediality of literature a medium that remains today on the margins of the theoretical discussion of media The book was written by a collective of authors based in the Institute of Czech Literature Czech Academy of Sciences Czech Republic Even though interest in the technological and media aspects of literature has been slowly building momentum in the past several decades from comparative perspectives to written culture to new media the concept of the medium has not informed this process and its systematic integration into literary studies has never been effectively carried out Nor has the specific mediality of literature been successfully integrated into the general concept of media lity in media science Contributors to this work provide both an explanation of and solution to this mutual blindness setting out from the question What are the conditions for elaborating a media theoretical framework in which to situate literature as a medium *The Emerging Contours of the Medium* available for the first time in English is divided into three parts which correlate to the three main research areas of the principles for a media theory of literature Part 1 develops a perspective of the pre history of media thinking grounding the principles of the genealogical integration Part 2 concentrates on and develops the related perspectives of media philosophy and media anthropology Part 3's main focus is the way media as dispositifs interlinking the parameters of perception and communication provide the ground for making emergent media phenomena visible whether it be between media in their mutual synergy or discrepancies between media artefacts or between human and apparatus Stanislava Fedrov is Head of the Department of Art Historiography and Theory at the Institute of Art History at the Czech Academy of Sciences researcher at the Institute of Czech Literature of the Czech

Philosophy of the Medium John Lechte,2023-10-19 Taking the principle of the disappearance of the medium into new territory this book questions the pervasive influence of the principle that the medium is the message Bold and expansive

this book argues that we have for too long focused on the technical specificities of media when we should have been focusing on what it is that mediums do that is on their content rather than their formal and technical qualities With a re reading of McLuhan this volume offers a study of the conflicting views of technics as a medium in Bernard Stiegler's work as well as an investigation into the extent to which Michel Serres work on communication sheds light on the nature of medium Engaging also with the concept of Object Oriented Ontology OOO and the notion of probabilistic objects in quantum physics and climate change he explores the way in which measurement is perceived to create reality Concluding with a fascinating study of the implications of consciousness as a medium this book ultimately reconsiders and offers a deeper understanding of what we mean by the term media it is that which comes between and which facilitates the transmission of content essentially a creator of possibilities yet never present as such in the light of its success as a vehicle for meaning

MEDIUMS AND MESSAGES: THE HISTORY OF COMMUNICATIONS WITH THE BEYOND DUKE SOUZA, More than a mere chronology of mediumistic phenomena this work seeks to understand the spiritual emotional and cultural impact of these communications across different times and contexts At the same time it offers readers a reflection on what it means to open oneself to the unknown to listen with the heart and to transcend the limits of matter *M diuns e Mensagens* is an invitation to deep listening sincere questioning and the expansion of consciousness toward the mysteries that though invisible shape lives beliefs and hopes around the world
