detectives and to the doorsteps of the world's most powerful and revered psychics William Little goes on a quest to find out whether people can see into the future or if the many millions who consult horoscopes listen to psychics on TV or who read Nostradamus are simply being sold a lie **The Scientist and the Psychic** Christian Smith, 2020-12-29 Weaving together the story of his fractured relationship to his mother with research into her paranormal abilities Dr Christian Smith has created in *The Scientist and the Psychic* a captivating one of a kind memoir of belief skepticism and familial love Christian Smith realized his mother was different in the autumn of 1977 when he was eight years old Before then he'd witnessed séances at home and the kids at school sometimes teased him about his mom being a witch so he sensed that his life wasn't typical But it wasn't until he was backstage at a renowned concert venue in Toronto watching from behind a curtain as Geraldine commanded an audience of 2 000 with her extrasensory readings that he understood she was special As Geraldine's only child he would assume the role of the quiet observer while she guided a live CBC broadcast of a séance made startling and consistently accurate predictions and eventually moved to LA to work with the parents of murder victims and with convicted murderer Jeffrey R MacDonald Over time the high profile and emotionally depleting work affected Geraldine's health and relationships Addiction took over her life and her son pulled away Fast forward to the present day Christian is a molecular biologist and Geraldine is retired and in poor health They are closer than they've ever been and now he gives us the story of her undeniable perceptual abilities and pioneering work as a psychic and endeavours to make scientific sense of it *The Psychic World of Bishop Pike* Hans Holzer, 2016-01-01 *The Psychic World of Bishop Pike* is traced here from his early years to his death and even beyond by the country's most notable parapsychologist Hans Holzer According to *Psychic Magazine* Holzer is at the top of the list in the popular field in dealing with psychic research subjects From personal interviews with the late Bishop and on the spot investigations of psychic experiences Hans Holzer has written about Bishop's encounters with the world of spirits and ghosts as well as communications beyond the grave In this firsthand report by a scientifically trained investigator we learned for the first time of Bishop Pike's early repression and his continuing involvements with such matters seemingly against his wishes as well as the traumatic experiences of direct contact with this dead son James Jr And his gradually growing conviction that death is not the end Most of this material has never been published not even by the Bishop himself Even before sudden death came to James Pike in the desert psychics all over the world started to come forth with their impressions of the bishop's strange disappearance and violent demise Hans Holzer here analyzes this material most of which came from mediums and psychic people working exclusively with him A challenging picture of death under mysterious circumstances and possibility of foul play emerges from these disturbing psychic reports Hans Holzer puts them together and presents the psychic evidence pointing out that things may not have been what they seemed at first Finally in a dramatic confrontation the author makes contact with the spirit of Bishop himself through the trance mediumship of eminent medium Ethel Johnson Meyers **The Medium and the Minister** Roger Straughan, 2022-04-29 You don't have to be

religious to believe there may be a life after death The Medium and the Minister explores psychical and religious approaches to the possibility of an afterlife The tensions and conflicts between these two approaches and the heated controversies they have generated are illustrated by a number of case studies These focus on the challenges posed by psychical research and spiritualism to orthodox religion as the ultimate authority for information and teaching about the afterlife Prominence is given initially to the campaigns of Sir Arthur Conan Doyle and Sir Oliver Lodge which aimed to publicise the psychical evidence and to the Church's reaction to them Later developments and initiatives to try to reconcile the opposing positions are then examined in the light of further psychical research The issues raised are shown to be still highly relevant to current beliefs and attitudes and to the question of what might constitute evidence for life after death
