

THE MEMOIRS OF MARSHAL FOCH

Marshal Foch spent the last years of his life in preparing these memoirs, which he had completed before his last illness. His first intention was to write a history of the war, but he abandoned it in favour of a more personal memoir detailing his actions, his movements, his orders, his conversations and his thoughts covering every day of the war in which anything of importance happened to him. He exercised immense care in the preparation of his material. There are five drafts of most of the pages, the first being written by hand; and the remaining typewritten sheets reveal the insertion of the most meticulous corrections. Often a typed sheet contains so many corrections that they run over on to the back of the page. A preface and a foreword are devoted to his education, his early career and his views on events leading to the outbreak of the war. He then tells the story of his command of the XX Corps at the battle of Morhange in August, 1914. Much controversy has arisen about the part played in the battle of the Marne by the Ninth Army, which he then commanded: this chapter will dispose of that controversy for good.

There follows the description of his achievement in the North, as Assistant to the Commander-in-Chief, in co-ordinating the French, British and Belgian efforts, which saved Ypres and ended in the locking of the line. His chapter on the Somme will come as a surprise since it shows the magnitude of the French effort in a battle generally thought to be exclusively British. Then comes the little known story of his activities during the Nivelle command, in the early part of 1917, when he was in comparative obscurity.

As Chief of the Allied General Staff he describes how disaster was stayed on the Piave by the organisation of a successful Italian defence. Long before this he had clearly seen that victory could only come with a single Allied command. But it was not until the disasters of March 1918 had taught generals and politicians their bitter lesson that he was called to supreme command. Thenceforward the reader views the miracle which turned the defeats of March 1918 into the victories of September and the triumphs of October and November through the mind of the man who willed and planned them.

The Memoirs Of Marshall Foch

Ferdinand Foch, Thomas Bentley Mott

The Memoirs Of Marshall Foch:

The Memoirs of Marshall Foch Ferdinand Foch,1931

The Memoirs of Marshal Foch Ferdinand Foch,1931

The Memoirs of Marshal Foch Marshal Foch,2019-04-16 The memoirs of Marshal Foch are important to the overall study of the Great War Written during the last years of his life they are personal memoirs that detail his actions his movements his orders and his thoughts and his interpretation of events some that modern historians might not altogether agree with The memoirs of Marshal Foch, tr Ferdinand Foch,Thomas Bentley Mott, The Memoirs of Marshal Foch. Translated by T. Bentley Mott Ferdinand Foch,1931

The Generals' War David T. Zabecki,2018-09-01 Known as the War to End all Wars and the Great War World War I introduced new forms of mass destruction and modern technological warfare When the Bolsheviks pulled Russia out of the war in late 1917 the Germans turned their offensive efforts to the Western Front in an attempt to win the war in 1918 But as fresh American troops entered Europe the strategic scales tipped against Germany Much of how World War I played out turned on the plans and decisions of the senior most German and Allied commanders The Generals War explores the military strategies of those generals during the last year of the Great War These six very different men included Germany's Field Marshal Paul von Hindenburg and General Erich Ludendorff France's Marshals Ferdinand Foch and Philippe Pétain Great Britain's Field Marshal Sir Douglas Haig and the United States General John Pershing Although history remembers none of them as great captains these six officers determined for better or worse how World War I was fought on the battlefields of the Western Front between November 1917 and November 1918 The Generals War is a landmark exploration of the generalship that shaped the very framework of modern warfare as we know it today and provides a comprehensive and detailed analysis on the senior commanders of the Great War

The German 1918 Offensives David T. Zabecki,2006-09-27 This is the first study of the Ludendorff Offensives of 1918 based extensively on key German records presumed to be lost forever after Potsdam was bombed in 1944 In 1997 David T Zabecki discovered translated copies of these files in a collection of old instructional material at the U S Army Command and General Staff College at Fort Leavenworth Kansas He presents his findings here for the first time with a thorough review of the surviving original operational plans and orders to offer a wealth of fresh insights to the German Offensives of 1918 David T Zabecki clearly demonstrates how the German failure to exploit the vulnerabilities in the BEF's rail system led to the failure of the first two offensives and how inadequacies in the German rail system determined the outcome of the last three offensives This is a window into the mind of the German General Staff of World War I with thorough analysis of the German planning and decision making processes during the execution of battles This is also the first study in English or in German to analyze the specifics of the aborted Operation HAGEN plan This is also the first study of the 1918 Offensives to focus on the operational level of war and on the body of military activity known as the operational art rather than on the conventional tactical or strategic levels This book will be of great interest to all students of World War I the German Army and of strategic studies

and military theory in general **Finding Common Ground** Jennifer Keene, Michael Neiberg, 2011 Representing the best of cutting edge scholarship in First World War studies this anthology demonstrates how conversations among historians across international and cross disciplinary boundaries enhances our understanding of this global conflict **World War I** Kristen Rajczak Nelson, 2021-07-15 The War to End All Wars didn't live up to its original name but it did forever change the world in many ways New technology would end up changing the way future wars were fought and the contributions of women to the war effort laid the groundwork for equal rights in many countries This informative text complemented by fascinating sidebars and discussion questions that promote critical thinking gives readers a closer look at the ways World War I created global change on a massive scale The text is enhanced with historical photographs and annotated quotes from historians and primary sources *Harlem's Hell Fighters* Stephen L. Harris, 2003-06-30 When the United States entered World War I in 1917 thousands of African American men volunteered to fight for a country that granted them only limited civil rights Many from New York City joined the 15th N Y Infantry a National Guard regiment later designated the 369th U S Infantry Led by mostly inexperienced white and black officers these men not only received little instruction at their training camp in South Carolina but were frequent victims of racial harassment from both civilians and their white comrades Once in France they initially served as laborers all while chafing to prove their worth as American soldiers Then they got their chance The 369th became one of the few U S units that American commanding general John J Pershing agreed to let serve under French command Donning French uniforms and taking up French rifles the men of the 369th fought valiantly alongside French Moroccans and held one of the widest sectors on the Western Front The entire regiment was awarded the Croix de Guerre the French government's highest military honor Stephen L Harris's accounts of the valor of a number of individual soldiers make for exciting reading especially that of Henry Johnson who defended himself against an entire German squad with a large knife After reading this book you will know why the Germans feared the black men of the 369th and why the French called them hell fighters *The American Expeditionary Force in World War I* George B. Clark, 2013-03-07 In April 1917 the United States ended its nonintervention policy and entered World War I as an Associated Power to aid the Allies in their fight against the Central Powers The American Expeditionary Force fighting alongside French and British troops provided vital manpower on the Western Front during the Aisne Offensive and participated in major actions in the Saint Mihiel and Meuse Argonne offensives that turned the tide late in the war This volume offers the first comprehensive statistical history of the American Expeditionary Force supplying fascinating details often omitted from narrative battle summaries After an overview of each of the actions and battles in which the AEF participated the book chronicles the day to day activities of every division This work presents the most thorough examination yet available of the American fighting forces in the Great War **The Air Officer's Guide** , 1949 Beskriver Det amerikanske Flyvevæsen USAF *Keepers of the Spirit* John A. Adams (Jr.), 2001 Given in memory of Gene Brossmann by George Richardson **African American Soldiers in the National Guard** Charles

Johnson,1992-08-21 Little is known about the many achievements of African American guardsmen in U S history from the late nineteenth to the mid twentieth centuries This detailed account thus fills an important gap in our knowledge about the establishment of African American militias in 1877 and their service in wartime and peacetime until the integration of the National Guard in 1950 This careful study of extensive primary and secondary sources is intended for military historians and for all who want to know more about African American contributions to the defense of our nation Following a short introduction providing some historical background the study launches into a description of the establishment of African American militia organizations in and about 1877 and their involvement in the Spanish American War and in quelling civil disturbances and disasters up to 1914 The history deals next with the service of African American guardsmen units in World War I their work in the years between the wars and their involvement in World War II The story ends with a description of the initial reorganization of these units and their integration into the National Guard in 1949 and 1950 A lengthy bibliography of primary and secondary sources is useful as well in pointing to the role of African American militias and guardsmen in the history of this important period

1918 Matthias Strohn,2018-03-09 This wide ranging collection of articles by some of the most renowned names in the subject explores the tumultuous events of the final year of the First World War In 2018 the world commemorated the centenary of the end of the First World War In many ways 1918 was the most dramatic year of the conflict After the defeat of Russia in 1917 the Germans were able to concentrate their forces on the Western Front for the first time in the war and the German offensives launched from March 1918 onward brought the Western Allies close to defeat Having stopped the German offensives the Entente started its counter attacks on all fronts with the assistance of fresh US troops driving the Germans back and by November 1918 the Central Powers had been defeated This study is a multi author work containing ten chapters by some of the best historians of the First World War from around the world writing today It provides an overview and analysis of the different levels of war for each of the main armies involved within the changing context of the reality of warfare in 1918 It also looks in detail at the war at sea and in the air and considers the aftermath and legacy of the First World War

The Bloomsbury Group Memoir Club S. Rosenbaum,J. Haule,2016-10-15 Shortly before his death S P Rosenbaum began work on the history of the Bloomsbury Group s Memoir Club With original archival material and valuable insights on leading Bloomsbury figures such as Woolf Keynes and Forster this illuminating book offers a new perspective on our understanding of twentieth century autobiography and life writing

The French Army's Tank Force and Armoured Warfare in the Great War Tim Gale,2016-03-16 Recent scholarship has challenged the assumption that military commanders during the First World War were inflexible backward looking and unwilling to exploit new technologies Instead a very different picture is now emerging of armies desperately looking to a wide range of often untested and immature scientific and technological innovations to help break the deadlock of the Western Front Nowhere is this better illustrated than in the development of tank warfare which both the British and the

French hoped would give them a decisive edge in their offensives of 1917 and 1918 Whilst the British efforts to develop armoured warfare have been well chronicled there has been no academic study in English on the French tank force the Artillerie Sp ciale during the Great War As such this book provides a welcome new perspective on an important but much misunderstood area of the war Such was the scale of the French tanks failure in their first engagement in 1917 it was rumoured that the Artillerie Sp ciale was in danger of being disbanded yet by the end of the war it was the world s largest and most technologically advanced tank force This work examines this important facet of the French army s performance in the First World War arguing that the AS fought the war in as intelligent and sensible a manner as was possible given the immature state of the technology available No amount of sound tank doctrine could compensate for the fragility of the material for the paucity of battlefield communication equipment and for the lack of tank infantry training opportunities Only by 1918 was the French army equipped with enough reliable tanks as well as aircraft and heavy artillery to begin to exercise a mastery of the new form of combined arms warfare The successful French armoured effort outlined in this study including a listing of all the combat engagements of the French tank service in the Great War highlights a level of military effectiveness within

Great Warrior Leaders/thinkers ,1989 *Books of 1912- ,1922* **The Best Books: F, History and historical biography. G, Archaeology and historical collaterals** William Swan Sonnenschein,1923

The Memoirs Of Marshall Foch Introduction

The Memoirs Of Marshall Foch Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Memoirs Of Marshall Foch Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Memoirs Of Marshall Foch : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Memoirs Of Marshall Foch : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Memoirs Of Marshall Foch Offers a diverse range of free eBooks across various genres. The Memoirs Of Marshall Foch Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Memoirs Of Marshall Foch Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Memoirs Of Marshall Foch, especially related to The Memoirs Of Marshall Foch, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Memoirs Of Marshall Foch, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Memoirs Of Marshall Foch books or magazines might include. Look for these in online stores or libraries. Remember that while The Memoirs Of Marshall Foch, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Memoirs Of Marshall Foch eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Memoirs Of Marshall Foch full book , it can give you a taste of the authors writing style. Subscription Services

Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Memoirs Of Marshall Foch eBooks, including some popular titles.

FAQs About The Memoirs Of Marshall Foch Books

What is a The Memoirs Of Marshall Foch PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Memoirs Of Marshall Foch PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a The Memoirs Of Marshall Foch PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Memoirs Of Marshall Foch PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Memoirs Of Marshall Foch PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
