## **The Memoirs Of Nahum N Glatzer:**

The Memoirs of Nahum N. Glatzer Michael A. Fishbane, Judith Glatzer Wechsler, 1998      *The Memoirs of Nahum N. Glatzer* Nahum Norbert Glatzer, 1997 The events themselves become moments of religious psychology or theological insight For Glatzer as for Rosenzweig the world was transformed by speech and the realities brought into existence through it Michael Fishbane s detailed introduction presents the historical background of Glatzer s life and work      **Halakhic Man** Joseph B. Soloveitchik, 2023-09 The 40th Anniversary Edition of Halakhic Man is the classic work of modern Jewish and religious thought by the twentieth century s preeminent Orthodox Jewish theologian and talmudic scholar newly accompanied by scholarly apparatus that will help readers better appreciate the work      Winged Words: Benjamin, Rosenzweig, and the Life of Quotation Benjamin E. Sax, 2023-07-24 This is the first book to explore the role of quotation in modern Jewish thought Weaving back and forth from Benjamin to Rosenzweig the book searches for the recovery of concealed and lost meaning in the community of letters sacred scripture the collecting of books storytelling and the life of liturgy It also explores how the legacy of Goethe can be used to develop new strata of religious and Jewish thought We learn how quotation is the binding tissue that links language and thought modernity and tradition religion and secularism as a way of being in the world      *The Jewish State* Yoram Hazony, 2009-04-30 In what may be the most controversial book on Zionism and Israel published in the last twenty years Yoram Hazony graphically portrays the cultural and political revolt against Israel s status as the Jewish state Examining ideological trends in academia literature media law the armed forces and the foreign policy establishment Hazony contends that Israelis are preparing themselves for the final break with the Jewish past and the Jewish future In a dramatic new reading of Israeli history Hazony uncovers the story of how Martin Buber Gershom Scholem Hannah Arendt and other German Jewish intellectuals bitterly fought against the establishment of Israel and later used the Hebrew University as a base for deposing David Ben Gurion and discrediting Labor Zionism The Jewish State is a must read for anyone concerned with Israel s present and future      Ludwig Strauss: An Approach to His Bilingual "Parallel Poems" Julia Matveev, 2018-08-06 This book is devoted to the study of the bilingual parallel poems of Ludwig Strauss Aachen 1892 Jerusalem 1953 created between 1934 and 1952 in Palestine Israel and which exist in two variants a Hebrew and a German version one of which is the original and the other a self translation The aim of this study is to compare the versions and their interpretation based on Strauss s theoretical essays on poetry and translation his political writings and works of literary criticism Special attention is paid to Strauss s concept linked with the idea of messianic redemption of poetry as a fore image of a future true community of men and as the earthly expression of the Absolute directed at interpreting divine revelation and its translation into human language In examining Strauss s experiments with self translation by which he aimed at establishing a dialogue between languages and between people and nations this study considers the two processes of translation from divine speech into human language and from one human language into another      **Michael Fishbane:**

**Jewish Hermeneutical Theology** Hava Tirosh-Samuelson, Aaron W. Hughes, 2015-09-29 Michael Fishbane is Nathan Cummings Distinguished Service Professor of Jewish Studies at the University of Chicago Divinity School Trained in biblical studies and the ancient Near East at Brandeis University he has written on rabbinic interpretation medieval Jewish philosophy and mysticism Hasidism modern Jewish philosophy and Hebrew poetry His earlier groundbreaking historical work has provided the foundation for his more recent constructive hermeneutic theology Among his numerous books are the award winning *Biblical Interpretation in Ancient Israel* 1985 and *Kiss of God* 1994 *Biblical Myth and Rabbinic Mythmaking* 2003 and *Sacred Attunement A Jewish Theology* 2008 He is in addition an elected member of the American Academy of Jewish Research and the American Academy of Arts and Sciences

*Educating Palestine* Yoni Furas, 2020-04-17 *Educating Palestine* through the story of education and the teaching of history in Mandate Palestine reframes our understanding of the Palestinian and Zionist national movements It argues that Palestinian and Hebrew pedagogy could only be truly understood through an analysis of the conscious or unconscious dialogue between them The conflict over Palestine the study shows shaped the way Arabs and Zionists thought taught and wrote about their past British rule over Palestine promised the Jews a national home but had no viable policy towards the Palestinians and established an education system that lacked a sustainable collective ethos Nevertheless Palestinian educators were able to produce a national pedagogy that knew how to work with the British and simultaneously promoted an ideology of progress and independence that challenged colonial rule

God Spoke Once, I Heard Twice Rabbi Dr. Hillel Goldberg, 2024-12-15 Moving from cosmology to creativity to criminology the Torah explores the breadth of human existence ethics and ritual narratives of Patriarchs and Matriarchs history and a philosophy of history all of these drive the first five books of Hebrew Scripture But as Rabbi Hillel Goldberg explains in this probing and insightful commentary these sacred texts are governed by one idea one God God blesses the human being with power and also imposes limits A human being may not kill not commit any sacrilege not act unjustly God retains ultimate power including the prerogative to make ethical ritual and spiritual laws which fill the Torah The Torah is a kaleidoscope and Rabbi Goldberg refracts it through its fifty four prisms its fifty four chapters But a single reality undergirds all one God Rabbi Goldberg's exploration of the diversity of disciplines in the Torah demonstrates how naturally the idea of monotheism emerges In Genesis God chooses one family to carry out His mission in history The book of Exodus narrates God's liberation of this family's descendants in order to bring His mission to fruition Leviticus details the laws by which God's people serve Him through ethics ritual even agriculture Numbers begins with the metahistory of God's people as He sustains it with manna and guides it with a pillar of fire and a pillar of cloud then resumes the history of His people as it wages war and prepares to conquer the promised land Fearful of idolatry there Moses in Deuteronomy concludes his exhortation to remain faithful to the invisible presence of God Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of

poetry humor and storytelling *God Spoke Once I Heard Twice* is a brilliant learned and inspired contribution to an ongoing chronicle of faith

**The Radical Humanism of Erich Fromm** K. Durkin, 2014-09-04 This book shortlisted for the British Sociological Association's Philip Abrams Memorial Prize 2015 argues that Fromm is a vital and largely overlooked contribution to twentieth century intellectual history and one who offers a refreshingly reconfigured form of humanism that is capable of reintegrating explicitly humanist analytical categories and schemas back into social theoretical and scientific considerations

**Foreign Entanglements: Transnational American Jewish Studies** Hasia Diner, Markus Krah, Shari Rabin, Yitzchak Schwartz, Mirjam Thulin, Oskar Czendze, Imanuel Clemens Schmidt, Jessica Cooperman, Elisabeth Gallas, Miriam Rürup, Jürgen Heyde, Thomas Meyer, Rotraud Ries, Anna Ullrich, Anke Geißler-Grünberg, Michael K. Schulz, Rafael D. Arnold, Andrea A. Sinn, 2021-12-02 The field of American Jewish studies has recently trained its focus on the transnational dimensions of its subject reflecting in more sustained ways than before about the theories and methods of this approach Yet much of the insight to be gained from seeing American Jewry as constitutively entangled in many ways with other Jewries has not yet been realized Transnational American Jewish studies are still in their infancy This issue of PaRDeS presents current research on the multiple entanglements of American with Central European especially German speaking Jewries in the 19th and 20th centuries The articles reflect the wide range of topics that can benefit from a transnational understanding of the American Jewish experience as shaped by its foreign entanglements

**Strange Glory** Charles Marsh, 2015-04-28 Winner Christianity Today 2015 Book Award in History Biography Shortlisted for the PEN Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945 Dietrich Bonhoeffer the German pastor theologian and anti Hitler conspirator has become one of the most widely read and inspiring Christian thinkers of our time With unprecedented archival access and definitive scope Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe From his brilliant student days in Berlin to his transformative sojourn in America across Harlem to the Jim Crow South and finally once again to Germany where he was called to a ministry for the downtrodden we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ We witness his growing convictions and theological beliefs culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler Bringing to life for the first time this complex human being his substantial flaws inner torment the friendships and the faith that sustained and finally redeemed him *Strange Glory* is a momentous achievement

*Learning on the Left* Stephen J. Whitfield, 2020-09-15 Brandeis University is the United States only Jewish sponsored nonsectarian university and while only being established after World War II it has risen to become one of the most respected universities in the nation The faculty and alumni of the university have made exceptional contributions to myriad disciplines but they have played a surprising formidable role in American politics Stephen J Whitfield makes the case for the pertinence of Brandeis University in

understanding the vicissitudes of American liberalism since the mid twentieth century Founded to serve as a refuge for qualified professors and students haunted by academic antisemitism Brandeis University attracted those who generally envisioned the republic as worthy of betterment Whether as liberals or as radicals figures associated with the university typically adopted a critical stance toward American society and sometimes acted upon their reformist or militant beliefs This volume is not an institutional history but instead shows how one university over the course of seven decades employed and taught remarkable men and women who belong in our accounts of the evolution of American politics especially on the left In vivid prose Whitfield invites readers to appreciate a singular case of the linkage of political influence with the fate of a particular university in modern America     Nathan Birnbaum and Jewish Modernity Jess Olson,2013-01-09 This book explores the life and thought of one of the most important but least known figures in early Zionism Nathan Birnbaum Now remembered mainly for his coinage of the word Zionism Birnbaum was a towering figure in early Jewish nationalism Because of his unusual intellectual trajectory however he has been written out of Jewish history In the middle of his life in the depth of World War I Birnbaum left his venerable position as a secular Jewish nationalist for religious Orthodoxy an unheard of decision in his time To the dismay of his former colleagues he adopted a life of strict religiosity and was embraced as a leader in the young growing world of Orthodox political activism in the interwar period one of the most successful and powerful movements in interwar central and eastern Europe Jess Olson brings to light documents from one of the most complete archives of Jewish nationalism the Nathan and Solomon Birnbaum Family Archives including materials previously unknown in the study of Zionism Yiddish based Jewish nationalism and the history of Orthodoxy This book is an important meditation on the complexities of Jewish political and intellectual life in the most tumultuous period of European Jewish history especially of the interplay of national political and religious identity in the life of one of its most fascinating figures     **The Newton Papers** Sarah Dry,2014-04-11 When Isaac Newton died in 1727 without a will he left behind a wealth of papers that when examined gave his followers and his family a deep sense of unease Some of what they contained was wildly heretical and alchemically obsessed hinting at a Newton altogether stranger and less palatable than the one enshrined in Westminster Abbey as the paragon of English rationality These manuscripts had the potential to undermine not merely Newton s reputation but that of the scientific method he embodied They were immediately suppressed as unfit to be printed and aside from brief troubling glimpses spread across centuries the papers would remain hidden from sight for more than seven generations In *The Newton Papers* Sarah Dry illuminates the tangled history of these private writings over the course of nearly three hundred years from the long span of Newton s own life into the present day The writings on subjects ranging from secret alchemical formulas to impassioned rejections of the Holy Trinity would eventually come to light as they moved through the hands of relatives collectors and scholars The story of their disappearance dispersal and rediscovery is populated by a diverse cast of characters who pursued and possessed the papers from economist John Maynard Keynes to controversial

Jewish Biblical scholar Abraham Yahuda Dry's captivating narrative moves between these varied personalities depicting how as they chased the image of Newton through the thickets of his various obsessions these men became obsessed themselves with the allure of defining the true Newton Dry skillfully accounts for the ways with which Newton's pursuers have approached his papers over centuries Ultimately *The Newton Papers* shows how Newton has been made and re-made throughout history by those seeking to reconcile the cosmic contradictions of an extraordinarily complex man **Jewish Culture and Creativity** Eitan P. Fishbane, Elisha Russ-Fishbane, 2024-02-20 Jewish Culture and Creativity honors the wide-ranging scholarship of Prof Michael Fishbane with contributions of his students on subjects that cover the gamut of Jewish studies from biblical and rabbinic literature to medieval and modern Jewish culture and concluding with case studies of the creative application of Prof Fishbane's thought and theology in contemporary Jewish life The innovative scholarship represented in this volume offers critical new perspectives from antiquity to contemporary Judaism and will serve as a stimulus for new directions in and beyond the field of Jewish studies **The Scroll and the Cross** Ilan Stavans, 2013-10-23 Jews and Latinos have been unlikely partners through tumultuous times This groundbreaking eclectic book of readings edited by Ilan Stavans whom The Washington Post described as one of our foremost cultural critics offers a sideboard of the ups and downs of that partnership It includes some seventy canonical authors Jews and non Jews alike through whose diverse oeuvre poetry fiction theater personal and philosophical essays correspondence historical documents and even kitchen recipes the reader is able to navigate the shifting waters of history from Spain in the tenth century to the Spanish speaking Americas and the United States today The Reader showcases the writings of such notable authors as Solomon ibn Gabirol Maimonides Miguel de Cervantes Henry W Longfellow Miguel de Unamuno Federico Garc a Lorca Jorge Luis Borges Jacobo Timerman Mario Vargas Llosa Ruth Behar and Ariel Dorfman to name only a few **Encyclopedia of Modern Jewish Culture** Glenda Abramson, 2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without *Trials of the Diaspora* Anthony Julius, 2012-02-09 The first ever comprehensive history of anti-Semitism in England from medieval murder and expulsion through to contemporary forms of anti-Zionism in the 21st century **Jewish Frontier**, 1999

## **The Memoirs Of Nahum N Glatzer** Book Review: Unveiling the Magic of Language
