The Mental Edge, Revised Loren W. Christensen, 1999 **The Mental Edge** Stephen J. Brennan, 1993 **The Mental Edge in Trading : Adapt Your Personality Traits and Control Your Emotions to Make Smarter Investments** Jason Williams, 2012-11-27 A top trader and leading psychiatrist explain the unbreakable relationship between personality style and trading success and provide the tools for using this information to make smarter decisions even in high pressure situations *Mental Toughness for Sport, Business and Life* Robert Weinberg, 2010 Dr Weinberg turns the abstract concept of mental toughness into an achievable reality The book is a terrific read for anyone striving for excellence in business or sports It is a clear guide through the processes and outcomes associated with attaining mental toughness **Warrior Mindset** Michael Asken, Dave Grossman, Loren W. Christensen, 2022-09-20 This practical guide teaches readers to meet stressful or dangerous situations with a combat ready mentality In high stress situations especially ones where lives are on the line mental toughness is essential But while many agree on the importance of this psychological skill set few ever provide practical training in how to achieve it Warrior Mindset explains concrete steps and techniques to develop a survival mindset and hardened focus This book offers an in depth analysis of the subject Describing the importance of mental toughness and presenting a method for readying the mind for combat this text can help foster skills that will optimize performance success and survival in the field **Watching Baseball, Seeing Philosophy** Raymond Angelo Belliotti, 2015-01-28 There are uncanny connections between nine baseball greats and the great thinkers of the West This book offers a very practical application of Western philosophy by examining these icons of American sport and culture The intensity and single mindedness of Ted Williams breathes life into Camus Sisyphus Billy Martin s maniacal competitiveness recalls Niccolo Machiavelli s take on politics which he characterized as a zero sum game the homespun philosophy of Satchel Paige echoes the wisdom of Marcus Aurelius and the many facets of Joe DiMaggio s personality cry out for the resolution that Nietzsche s doctrine of perspectivism might have given Also covered are the connections between Joe Torre and Aristotle Jackie Robinson and Antonio Gramsci Mickey Mantle and St Thomas Aquinas John Franco and William James and Jose Canseco and Immanuel Kant **Mental Toughness** Michael Sheard, 2012-08-21 Mental toughness is one of the most common terms used in sport by athletes coaches spectators and the media However it is also one of the least understood terms This book examines the characteristics and development of mentally tough sport performers and presents the cutting edge research in this area Within these chapters the author proposes that mental toughness is a personality style and mindset and presents a compelling case for its inclusion within the positive psychological paradigm This second edition has been updated to include new material on the characterisation conceptualisation measurement and development of mental toughness As in the first edition the book includes a historical overview of empirical research and also describes the conceptual arguments behind this research Now packed with even more rigorous scientific evidence and bang up to date anecdotes from the world of sport the

book presents a fascinating explanation of why some athletes are successful and how and why they stay on top Mental Toughness The Mindset Behind Sporting Achievement will be essential reading for all sport psychology sport science sport studies and coaching students **Anger Management** Marc Noblitt Ph.D., Jeffrey Charles Bruteyn Ph.D., 2019-01-24 Are you tired of anger management programs that are long on theory and short on practical steps to actually manage your anger Then this is the book you need Drawing on newly pioneered techniques in the burgeoning field of positive psychology the authors share a comprehensive twelve week anger management program They share meaningful insights including why it is beneficial to transfer your desire to do something to an outside source such as the judicial system why choosing not to harm others makes it less likely they ll harm you and how cultivating a spirit of optimism can eliminate angry outbursts They also examine myths surrounding anger such as the idea that it is not inherited that anger always leads to aggression the idea that people must be aggressive to get what they want that venting anger is always desirable and more The program incorporates the use of multiple anger styles diet yoga and music therapy making it easy to follow and customizable based on an individual s needs Whether you are running a group therapy session or working to resolve your own anger this revolutionary program will help you achieve positive and lasting results *American Darts Organization Book of Darts, Updated and Revised* Chris Carey, 2006-08 Completely revised and filled with tips rules terms and practical know how On Combat Dave Grossman, Loren W. Christensen, 2022-08-09 The director of the Killology Research Group shares a thorough examination of the emotional and physical effects of deadly conflict Kirkus Reviews On Combat examines the stress resulting from engaging in deadly battle and its effects on the human body from the heart and the nervous system to visual and auditory perception to memory The historical perspective on the evolution of combat provided in this text further deepens our understanding of the brave men and women who train their minds and bodies to go to that place from which others flee Lt Col Dave Grossman a war veteran and former West Point psychology professor presents combat coping strategies demonstrating how one can train the mind to be inoculated against stress fear and even pain This fresh and informative look at post traumatic stress disorder PTSD details how to prevent it how to survive it how to come out of it stronger and how to help others who are experiencing it Grossman underscores the importance of post combat debriefing when warriors gather to share learn from each other and begin to heal from the horror Based on extensive new research Grossman s findings are supported by revealing quotes and anecdotes from combat veterans and other leaders in the warrior community *Between a Past and Present Consciousness* Christopher A. Williams, 2019-07-08 In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone purer age can patently modern identities indefinitely sustain their messages of inclusion and equality This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized multicultural age The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race

and class Despite this the native Caymanian people were able to successfully jettison their race thinking and in so doing began to see themselves as members of a singular nationality This notion of national and cultural solidarity as this book details has become a vexing issue and is now being duly tested given the astonishing numbers of immigrants in Cayman many of whom are keen to become Caymanians themselves *It's Not Just About the Ribbons* Jane Savoie,2008-05-01 Over 15 years ago Jane Savoie wrote the first book to recognize the importance of training the mind and shaping attitude in order to achieve higher levels of riding skill than ever imagined Riders who benefited from the lessons in That Winning Feeling clamored for more and Savoie responded with her fabulous follow up book It s Not Just About the Ribbons Once again Savoie shares the tools and ideas for self improvement that she has used not only to help herself deal with challenges but her students who range from Olympic contenders to intermediate riders as well Full of shining examples of the success of Savoie s methods of dealing with riding s and life s challenges this book is essential for anyone who is passionate about horses but may be struggling at some level or other with negative emotions and frustration from slow development of riding skills All readers will find that with Savoie s contagious enthusiasm along for the ride they too can make changes more easily and playfully while better enjoying every moment with their horses **Golf** Joseph Tramontana Ph.D.,2021-05-07 Golf is geared toward golfers open to the idea of improving their game through hypnosis Joseph Tramontana Ph D a clinical psychologist who specializes in clinical hypnosis is an internationally known author and speaker on the subject In simple language he shares how to achieve golf goals using hypnotic techniques create and develop a plan to get the results you want identify behaviors and beliefs that are holding you back gain precise control over your body Throughout the book Tramontana provides numerous case studies of athletes who have improved their game as a result of hypnosis He also explains why almost anyone can be hypnotized Tramontana s previous book on sports hypnosis was written for the hypnosis practitioner or sports psychologist but this book is written specifically for golfers You will learn methods to improve your game through mental training techniques **Essentials of Psychiatric Mental Health Nursing - Revised Reprint - E-Book** Elizabeth M.
