The Philosophy of Henry James, Sr Frederic H. Young,1962 *The Philosophy of Henry James, Sr* Frederic Harold Young,1951 **Philosophy of Henry James, Sr.** Frederic Harold Young,2015-06-02 Excerpt from Philosophy of Henry James Sr In writing this book as the first treatment of the senior James s philosophy in its entirety I was guided by two purposes first to give quotations of all the key passages from James s writings which are extremely inaccessible to general readers in order to allow James to speak for himself as much as possible secondly to render a systematic exposition of the entire range of the sources and products of his thought As to the first the reader may be certain that he will become acquainted here with every passage of prime importance in James s works As to the second the reader will find in the accompanying exposition a presentation of James s philosophy which in its wholeness constitutes a remarkably unified system but this system in his thought as a whole had to be discovered and articulated as such by the present writer The task of exhibiting James s system as an interrelated totality was complicated by the fact that the literary unit of James s expression of his thought is not the sentence nor the book length but rather the essay or letter as one who consults the full titles of his works will readily discover moreover there are no indexes in any of his books James s philosophic vision is one of imposing vitality and possesses a kind of architectural grandeur This vision is garmented in the sinewy yet graceful English of a prose master It is hoped that James Sr long eclipsed in fame by his sons William and Henry may come now into his own as a recognized brilliant thinker and author in the epic of American thought and literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Philosophy of Henry James, Sr Harold Atkins Larrabee,1952 *The Philosophy of Henry James, Sr., by Frederic Harold Young... [A Dissertation.].* Frederic Harold Young, *The Philosophy of Henry James, Sr., by Frederic Harold Young.* Submitted... for the Degree of Doctor of Philosophy Under the Joint Committee on Graduate Instruction, Columbia University Frederic Harold Young, **Henry James, Senior: a Selection of His Writings** Henry James,1974 **The Father** Alfred Habegger,1994 A thoroughly researched biography of Henry James Sr the father of author William philosopher Henry Jr and diarist Alice presents an in depth portrait of a complex brilliant man whose restless and driven life had a great effect on his children **William James** Gerald Eugene Myers,2001-01-01 This magisterial book is the first comprehensive interpretive and critical study of one of America s foremost philosophers and psychologists Gerald Myers traces James s life and career and then uses this fresh biographical information to illuminate his writings and ideas **Henry James and the Father**

Question Andrew Taylor, 2002-02-28 The intellectual relationship between Henry James and his father who was a philosopher and theologian proved to be an influential resource for the novelist Andrew Taylor explores how James's writing responds to James Senior's epistemological thematic and narrative concerns and relocates these concerns in a more secularised and cosmopolitan cultural milieu Taylor examines the nature of both men's engagement with autobiographical strategies issues of gender reform and the language of religion He argues for a reading of Henry James that is informed by an awareness of paternal inheritance Taylor's study reveals the complex and at times antagonistic dialogue between the elder James and his peers particularly Emerson and Whitman in the vanguard of mid nineteenth century American Romanticism Through close readings of a wide range of novels and texts he demonstrates how this dialogue anticipates James's own theories of fiction and selfhood
