The Plains of Passage Jean M. Auel, 2002-06-25 Jean M Auel's enthralling Earth's Children series has become a literary phenomenon beloved by readers around the world In a brilliant novel as vividly authentic and entertaining as those that came before Jean M Auel returns us to the earliest days of humankind and to the captivating adventures of the courageous woman called Ayla With her companion Jondalar Ayla sets out on her most dangerous and daring journey away from the welcoming hearths of the Mammoth Hunters and into the unknown Their odyssey spans a beautiful but sparsely populated and treacherous continent the windswept grasslands of Ice Age Europe casting the pair among strangers Some will be intrigued by Ayla and Jondalar with their many innovative skills including the taming of wild horses and a wolf others will avoid them threatened by what they cannot understand and some will threaten them But Ayla with no memory of her own people and Jondalar with a hunger to return to his are impelled by their own deep drives to continue their trek across the spectacular heart of an unmapped world to find that place they can both call home

The Plains of Passage Jean M. Auel, 2001-11-27 Ayla the heroine first introduced in *The Clan of the Cave Bear* is known and loved by millions of readers Now in *The Plains of Passage* Ayla's story continues Ayla and Jondalar set out on horseback across the windswept grasslands of Ice Age Europe To the hunter gatherers of their world who have never seen tame animals Ayla and Jondalar appear enigmatic and frightening The mystery surrounding the woman who speaks with a strange accent and talks to animals with their own sounds is heightened by her uncanny control of a large powerful wolf The tall yellow haired man who rides by her side is also held in awe not only for the magnificent stallion he commands but also for his skill as a crafter of stone tools and for the new weapon he devises the spear thrower In the course of their cross continental odyssey Ayla and Jondalar encounter both savage enemies and brave friends Together they learn that the vast and unknown world can be difficult and treacherous but breathtakingly beautiful and enlightening as well All the pain and pleasure bring them closer to their ultimate destination for the orphaned Ayla and the wandering Jondalar must reach that place on earth they can call home As sweeping and spectacular as the land she creates Jean M Auel's *The Plains of Passage* is an astonishing novel of discovery danger and love a triumph for one of the world's most original and popular authors
