A NEW TRANSLATION BY BARRY B. POWELL

The Poems Of Hesiod

Michael Hoelscher

The Poems Of Hesiod:

The Poems of Hesiod Hesiod, 2017-08-01 In this new translation of Hesiod Barry B Powell gives an accessible modern verse rendering of these vibrant texts essential to an understanding of early Greek myth and society With stunning color images that help bring to life the contents of the poems and notes that explicate complex passages Powell's fresh renditions provide an exciting introduction to the culture of the ancient Greeks This is the definitive translation and guide for students and readers looking to experience the poetry of Hesiod who ranks alongside Homer as an influential poet of Greek antiquity

Works and Days Hesiod, 1997-01-24 This new annotated translation of Hesiod's Works and Days is a collaboration between David W Tandy a classicist and Walter Neale an economist and economic historian Hesiod was an ancient Greek poet whose Works and Days discusses agricultural practices and society in general Classicists and ancient historians have turned to Works and Days for its insights on Greek mythology and religion The poem also sheds light on economic history and ancient agriculture and is a good resource for social scientists interested in these areas This translation emphasizes the activities and problems of a practicing agriculturist as well as the larger changing political and economic institutions of the early archaic period The authors provide a clear accurate translation along with notes aimed at a broad audience The introductory essay discusses the changing economic political and trading world of the eighth and seventh centuries B C E while the notes present the range and possible meanings of important Greek terms and references in the poem and highlight areas of ambiguity in our understanding of Works and Days

The Poems of Hesiod Hesiod, 1983 Hesiod is the first Greek and therefore the first European we can know as a real person for unlike Homer he tells us about himself in his poems Hesiod seems to have been a successful farmer and a rather gloomy though not humorless man One suspects from his concern for the bachelor's lot and some rather unflattering remarks about women that he was never married A close study of both poems reveals the same personality that of a deeply religious man concerned with the problems of justice and fate

Theogony Hesiod, 2006 A new verse translation celebrating the poetry of Hesiod's great works Theogony and Works and Days
