The Poetry Of Anne Finch An Essay In Interpretation

Charles H. Hinnant

The Poetry Of Anne Finch An Essay In Interpretation:

The Poetry of Anne Finch Charles H. Hinnant,1994 At the same time her stance as a feminist led her not only to articulate issues in terms of gender but also to define her poetry in opposition to the dominant literary form of the age satire
BOOK JACKET *English Poetry of the Eighteenth Century, 1700-1789* David Fairer,2014-10-13 In recent years the canon of eighteenth century poetry has greatly expanded to include women poets labouring class and provincial poets and many previously unheard voices Fairer s book takes up the challenge this ought to pose to our traditional understanding of the subject This book seeks to question some of the structures categories and labels that have given the age its reassuring shape in literary history In doing so Fairer offers a fresh and detailed look at a wide range of material [The Facts on File Companion to British Poetry](#) Virginia Brackett,2008 Presents a comprehensive A to Z reference with approximately 400 entries providing facts about British poets and their poetry from the seventeenth and eighteenth centuries *Major Women Writers of Seventeenth-century England* James Fitzmaurice,1997 The first comprehensive anthology of seventeenth century English women writers [Augustan Subjects](#) Albert J. Rivero,1997-06 The fifteen essays in this volume written by friends colleagues and former students attempt both to acknowledge and to honor Martin C Battestin s many contributions to our understanding of the literature and art of the so called Augustan period **Women and Poetry 1660-1750** S. Prescott,D. Shuttleton,2003-09-09 The specially commissioned essays in *Women and Poetry 1660 1750* address the multiplicity of female poetic practice and the public image of the woman poet between the Restoration and mid eighteenth century The volume includes biographically informative accounts of individual poets alongside detailed essays which discuss the different contexts and poetic traditions shaping women s poetry in this key period in literary history *Women and Poetry 1660 1750* draws together a wealth of recent scholarship from a strong cast of contributors including Germaine Greer into one accessible volume aimed at both students and specialist readers *The Oxford English Literary History* Margaret J. M. Ezell,2017-09-15 The Oxford English Literary History is the new century s definitive account of a rich and diverse literary heritage that stretches back for a millennium and more Each of these thirteen groundbreaking volumes offers a leading scholar s considered assessment of the authors works cultural traditions events and ideas that shaped the literary voices of their age The series will enlighten and inspire not only everyone studying teaching and researching in English Literature but all serious readers This volume covers the period 1645 1714 and removes the traditional literary period labels and boundaries used in earlier studies to categorize the literary culture of late seventeenth century England It invites readers to explore the continuities and the literary innovations occurring during six turbulent decades as English readers and writers lived through unprecedented events including a King tried and executed by Parliament and another exiled the creation of the national entity Great Britain and an expanding English awareness of the New World as well as encounters with the cultures of Asia and the subcontinent The period saw the establishment of new concepts of authorship and it saw a dramatic increase

of women working as professional commercial writers London theatres closed by law in 1642 reopened with new forms of entertainments from musical theatrical spectaculars to contemporary comedies of manners with celebrity actors and actresses Emerging literary forms such as epistolary fictions and topical essays were circulated and promoted by new media including newspapers periodical publications and advertising and laws were changing governing censorship and taking the initial steps in the development of copyright It was a period which produced some of the most profound and influential literary expressions of religious faith from John Milton's *Paradise Lost* and John Bunyan's *Pilgrim's Progress* while simultaneously giving rise to a culture of libertinism and savage polemical satire as well as fostering the new dispassionate discourses of experimental sciences and the conventions of popular romance

Eighteenth-Century Women Poets and Their Poetry Paula R. Backscheider, 2005-12-31 Our sense of eighteenth century poetic territory is immeasurably expanded by this excellent historical and cultural study of UK women poets of the era Cynthia Wall *Studies in English Literature* This major work offers a broad view of the writing and careers of eighteenth century women poets casting new light on the ways in which poetry was read and enjoyed on changing poetic tastes in British culture and on the development of many major poetic genres and traditions Rather than presenting a chronological survey Paula R Backscheider explores the forms in which women wrote and the uses to which they put those forms Considering more than forty women in relation to canonical male writers of the same era she concludes that women wrote in all of the genres that men did but often adapted revised and even created new poetic kinds from traditional forms Backscheider demonstrates that knowledge of these women's poetry is necessary for an accurate and nuanced literary history Within chapters on important verse forms she sheds light on such topics as women's use of religious poetry to express ideas about patriarchy and rape the important role of friendship poetry same sex desire in elegy by women as well as by men and the status of Charlotte Smith as a key figure of the long eighteenth century not only as a Romantic era poet Co Winner James Russell Lowell Prize Modern Language Association

Early Women Writers Anita Pacheco, 2014-09-25 The last twenty years have witnessed the rediscovery of a large number of women writers of the early modern period This process of recovery has had a major impact on early modern studies for by beginning to restore women to the history of the period it provides new insight into the formative years of the modern era This collection amply demonstrates the diversity as well as the literary and historical significance of early women's writing It brings together studies by an impressive range of critics including Elaine Hobby Catherine Gallagher Jane Spencer and Laura Brown and examines the major works of five of the most important women writers of the seventeenth and early eighteenth centuries Mary Wroth Katherine Philips Margaret Cavendish Aphra Behn and Anne Finch The range of authors it covers and the challenging critical work it presents make *Early Women Writers 1600-1720* essential reading for students of feminist theory Women's Studies and Cultural Studies as well as for all those interested in the history and literature of the early modern period

British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E.

Ingrassia, 2022-10-01 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded
