The Political Economy of Taiwan's Development into the 21st Century Gustav Ranis, Sheng-Cheng Hu, Yun-Peng Chu, 1999-02-24 a welcome book of particular use to graduate schools A J H Latham Asia Pacific Business Review Over the past four decades Taiwan has achieved remarkable economic growth In this important book a distinguished group of contributors employs a comparative perspective to explore the reasons behind and the lessons to be learned from Taiwan's success

The Political Economy of Comparative Development Into the 21st Century: The political economy of Taiwan's development into the 21st century Gustav Ranis, Sheng-Cheng Hu, Yunpeng Zhu, 1999 The Political Economy of Comparative Development Into the 21st Century Yun-p'eng Chu, Sheng-Cheng Hu, Gustav Ranis, 1999 **Essays in Memory of John C.H. Fei: The political economy of comparative development into the 21st century** Gustav

Ranis, Sheng-Cheng Hu, Yun-Peng Chu, Yunpeng Zhu, 1999 This important book uses the most recent advancements in growth theory and case studies to examine the status of economic and political development at the turn of the 20th century The book first provides an overview of the process of economic development in light of endogenous growth theory The authors then explore the sources of economic development in East Asian countries including the role of capital accumulation international trade pre takeoff conditions and intersectoral relations Pre war Japan is used as a case study to examine the role of industrial structure in accelerating economic development The contributors then discuss the implications of economic development for income distribution in labor absorbing economies and newly industrialized countries as well as examining household income distribution in Taiwan Inequality is analyzed in the context of a developing country experiencing hyper inflation The influence of institutions such as the Bretton Woods system on developing countries growth potential is also examined and case studies of Kenya Uganda and Sri Lanka are used to explore the role of politics and conflict in the process of economic development The Political Economy of Comparative Development into the 21st Century will be essential reading for scholars of the economics and politics of development

Trade, Development and Political Economy D. Lal, R. Snape, 2001-03-28 Trade Development and Political Economy takes fundamental issues in trade and development policy and subjects them to well based economic analysis in a form that is easily accessible to the non specialist Distinguished contributors address some of the following questions Are critics of outward orientated development wrong What caused the financial crisis of East Asia Who supports trade and aid in the US And what are the conditions needed to promote growth They also look forward to what trade policies and agreements will be needed in the future

Taiwan's Modernization Wei-Bin Zhang, 2003 This book is part of a broad examination of Confucianism and its implications for modernization of the Confucian regions covering mainland China Taiwan Hong Kong Macau Vietnam Japan South Korea North Korea and Singapore It is mainly concerned with the industrialization and modernization of Taiwan To help readers understand the process of modernization the book provides an introduction to the history of Taiwan and to Confucianism and its modern implications As far as social and economic

principles are concerned Taiwan's modernization is according to the author characterized by Americanization and modernizing Confucian manifestations The book demonstrates that Taiwan has actually provided an important case study not only for the capitalist spirit of overseas Chinese but also for possible implications of Confucianism for modernization The unique character of this book is that in explaining Taiwan's modernization it deals not only with economic and social issues but also examines the philosophical foundations an endeavor which no other author has systematically made before

Capitalist Development and Economism in East Asia Kui-Wai Li, 2003-08-29 Taking a conceptual approach this book studies the economic development of the four East Asian economies since 1950 The author summarizes and reconsiders many of the arguments and findings that supported and explained the economic miracles of Hong Kong Singapore Taiwan and South Korea analysing the relationship between economic development growth and political economy This pioneering book will stimulate further analysis of East Asian development It will be of essential interest to scholars in East Asian economics and all those interested in modern economic development

Comparative Development of India & China Neena Sondhi, Ramakrushna Panigrahi, Miao Pang, Rajashri Chatterjee, 2020-12-01 The prodigious economic growth of India and China over the last three decades has ensured their rightful prominence in the global economic order The two players opened up their respective economies to liberalization and market regulations which led to a tectonic shift from agriculture based economies to manufacturing and service based economies In this context Comparative Development of India and China offers contemporary research on economic technological sectoral and sociocultural issues by highlighting the opportunities as well as vulnerabilities in the development of the two fastest growing nations in the world It unveils the similarities of thought and practices and explores the plethora of possibilities for collaborative effort that may serve to contribute to the prosperity and progress of both the countries The perspectives presented by various Indian and Chinese scholars in this edited volume provide varied outlooks and insights on these two nations albeit within a single thematic framework

Paradigms of Social Change Waltraud Schelkle, 2000 **The Political Economy of Caribbean Development** M. Bishop, 2013-09-12 Studies of the global political economy have rarely engaged with development in the Caribbean the thought of its indigenous intellectuals or the non sovereign territories of the region Matthew Bishop compares the development of the independent English speaking islands of St Lucia and St Vincent and their non sovereign French neighbours Martinique and Guadeloupe By explaining how distinctive patterns of British and French colonialism and decolonisation came to bear on them he investigates how very different patterns of development have subsequently ensued often with startling consequences in this era of globalization and crisis By engaging with the empirical reality of the Caribbean his study sheds light on a range of wider debates relating to development indigenous thought post colonial sovereignty small states and the contemporary evolution of the global political economy
