

The background of the slide is a detailed painting of a fortified city, likely Jerusalem, built into a hillside. The city features multiple levels of stone walls, towers, and arched windows. In the foreground, a group of people, including men in robes and a woman in a yellow cloak, are gathered on a rocky path. Some figures appear to be in conflict or distress, with one person lying on the ground. The scene is set against a backdrop of a cloudy sky and distant hills.

Hugh J. Schonfield

The Politics Of God And The Politics Of Man:

The Politics of God and the Politics of Man Jacques Ellul, 1972 Human freedom God's omnipotence how can they be reconciled That question is central to this penetrating study of political action and prophetic function Ellul's answer to that question though based on events recorded in the Second Book of Kings is immediately relevant to contemporary issues and to the church today Emerging from these reflections is an eloquent testimony to the immense love of God which not only creates and saves but which also in its incomprehensible humility wants to associate man with its work *The Politics of God and the Politics of Man* Jacques Ellul, 2012-07-18 Man's freedom God's omnipotence how can they be reconciled That question is central to this penetrating study of political action and the prophetic function Ellul's answer to that question though based on events recorded in the Second Book of Kings is immediately relevant to contemporary issues and to the church today Emerging from these reflections is an eloquent testimony to the immense love of God which not only creates and saves but which also in its incomprehensible humility wants to associate man with its work *The Politics of God* Hugh J. Schonfield, In *The Politics of God* Hugh Schonfield builds upon his controversial best seller *The Passover Plot* to reveal the vision which had been driving him most of his life In searching for the common roots of Judaism and Christianity he uncovers Jesus the Jew and the Messiah for all people Calling on a wide range of thinkers as well as his extensive historical and biblical research he exposes Jesus the Messiah as the founder not of a religion but of a nation set apart to the service of Mankind This renowned historian seeks an answer to the difficulties in discovering a solution in today's religions as well as the disillusionment with state politics inability to find an answer to peace in the world Hugh Schonfield uncovers an ancient idea which he believes to be the only possible solution to Humankind's dilemma the Politics of God *The Politics of God and the Politics of Man* Stephen C. Perks, 2016 *Jacques Ellul and the Bible* Jacob Marques Rollison, 2022-05-26 The hermeneutic contribution of the French theologian and sociologist Jacques Ellul is given new prominence in this striking collection of essays revealing him to be one of the twentieth century's most creative and insightful interpreters of the Bible With a breadth of contributors ranging from established biblical scholars and theologians to pastoral practitioners from top Ellul scholars to emerging voices and including six first time English translations of Ellul's own articles this volume not only provides a detailed overview of Ellul's biblical approach but also constitutes a crucial moment in Ellul's theological reception The essays gathered here represent a clear demonstration that the full potential of Ellul's theological interpretation of Scripture to rejuvenate and reconfigure contemporary biblical hermeneutics has yet to be seen *The Politics of God* Kathryn Tanner, 2022 Thirty years ago Kathryn Tanner put forward a daring proposal Traditional Christian theologies she insisted can be a source of political transformation rather than a sponsor of the status quo Through a rigorous analysis of Christian beliefs in their historical theological and social diversity Tanner connects belief to attitudes and action and shows how doctrines can relate to each other to social systems and to ethical behavior Drawing on the theologies of divine transcendence and creation

that animate and organize so much of her work *The Politics of God* frees traditional theology from its captivity to unjust rulers and systems and unleashes its radical potential for liberation empowerment and the pursuit of a just society This anniversary edition includes a major new preface in which Tanner addresses the changes in the social and political situation that have accumulated in the decades since the book's publication and resituates her argument for a new generation of theologians and activists

Cain, Abel, and the Politics of God Julián Andrés González Holguín, 2017-07-06 The Genesis story of Cain's murder of Abel is often told as a simplistic contrast between the innocence of Abel and the evil of Cain This book subverts that reading of the Biblical text by utilising Giorgio Agamben's concepts of homo sacer the state of exception and the idea of sovereignty to re-examine this well-known tale of fratricide and bring to the fore its political implications Drawing from political theory philosophy and psychoanalysis this book creates a theoretical framework from which to do two things firstly to describe and analyse the history of interpretation of Genesis 4:1-16 and secondly to propose an alternative reading of the Biblical text that incorporates other texts inside and outside of the Biblical canon This intertextual analysis will highlight the motives of violence law divine rule and the rejected as they emerge in different contexts and will evaluate them in an Agambenian framework The unique approach of this book makes it vital reading for any academic with interests in Biblical Studies and Theology and their interactions with politics and ethics

Jesus, Jubilee, and the Politics of God's Reign Christian T. Collins Winn, 2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T. Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology *Jesus Jubilee and the Politics of God's Reign* amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus's ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death-dealing institutions Historically informed and passionately written *Jesus Jubilee and the Politics of God's Reign* challenges readers to find Jesus in the marginalized persons of our own time

The People of God and the Politics of Jesus in Society and Economy: Essays by Wilhelm Haller Wilhelm Haller, Wilhelm Willi Haller 25 Juli 1935 2 August 2004 was not a theologian but an industrialist Within the framework of his commitment to the Fellowship of Reconciliation he also lectured on theological topics He is mainly known for his contribution to the humanization of work but he was much concerned with philosophical and religious issues He was very much influenced by the teachings of the bible scholar and Messianist Hugh J. Schonfield and convinced that a Servant Nation was the only way to solve the fundamental problems of mankind He not only founded the leading flexible working hours and

security equipment company Interflex but also was instrumental in innovative social projects An unbelievable entrepreneur most of his initiatives are still operating today he was a gentle approachable person and father of four children This book is a collection of his essays on a variety of subjects from his theological political and economics perspective *The Politics of God* Kathryn Tanner, 1992 Delving into the complex aspects of Christian beliefs in their historical theological and social diversity Tanner offers a rigorous and sustained analysis of the relations of belief to attitudes and action In arguing that Christian beliefs about God and the world can be disengaged from complicity with social forces of reaction and oppression Tanner discloses the radical potential of Christian beliefs and realigns them with efforts to bring about a just society
