Biographical Dictionary of Medallists: A-D Leonard Forrer, 1904 **Celebrity Across the Channel, 1750-1850** Anaïs Pédrón, Clare Siviter, 2021-07-23 *Celebrity Across the Channel 1750-1850* is the first book to study and compare the concept of celebrity in France and Britain from 1750 to 1850 as the two countries transformed into the states we recognize today. It offers a transnational perspective by placing in dialogue the growing fields of celebrity studies in the two countries, especially by engaging with Antoine Lilti's seminal work *The Invention of Celebrity* translated into English in 2017. With contributions from a diverse range of scholarly cultures, the volume has a firmly interdisciplinary scope over the time period 1750 to 1850, which was an era marked by social, political and cultural upheaval. Bringing together the fields of history, politics, literature, theater studies and musicology, the volume employs a firmly interdisciplinary scope to explore an era marked by social, political and cultural upheaval. The organization of the collection allows for new readings of the similarities and differences in the understanding of celebrity in Britain and France. Consequently, the volume builds upon the questions that are currently at the heart of celebrity studies. *Spink & Son's Monthly Numismatic Circular*, 1897 *The Numismatic Chronicle, and Journal of the Numismatic Society*, 1893. Proceedings of the Numismatic Society form a separately pagged section of each volume. *The Numismatic Chronicle and Journal of the Royal Numismatic Society Third Series* John Evans, Barclay V. Head, Herbert A. Grueber, 2025-07-28. Reprint of the original first published in 1893. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **The Numismatic Chronicle**, 1910.
