The Practice Of Newspaper Management Hardcover:

The Practice of Newspaper Management W. Parkman Rankin, 1986-02-21 Rankin points out most journalism schools today still concern themselves primarily with preparing students to be editorial journalists They are not preparing them as business managers His book leads the way Editor Publisher

The Practice of Newspaper Management William Parkman Rankin, 1986

Sport and the Shaping of Civic Identity in Chicago Gerald R. Gems, 2020-02-13 This study uses sociological and historical methodologies to analyze the role of sport in the formation of urban identity in Chicago The author traces the transformation of Chicago from a frontier town to a commercial behemoth examining its role as an immigration transportation and entertainment hub The author argues that as a pioneering leader in American sport history Chicago allowed teams and athletes to forge a unique national and global identity This thorough and well researched study makes a major contribution to debates on the social and psychological functions of sport culture

The Future of Journalism Bob Franklin, 2013-09-13 The future of journalism is hotly contested and highly uncertain reflecting developments in media technologies shifting business strategies for online news changing media organisational and regulatory structures the fragmentation of audiences and a growing public concern about some aspects of tabloid journalism practices and reporting as well as broader political sociological and cultural changes These developments have combined to impoverish the flow of existing revenues available to fund journalism impact radically on traditional journalism professional practices while simultaneously generating an increasingly frenzied search for sustainable and equivalent funding and from a wide range of sources to nurture and deliver quality journalism in the future This book brings together journalists and distinguished academic specialists from around the globe to present the findings from their research and to discuss the future of journalism the shifting quality of its products its wide ranging sources of finance as well as the economic and democratic consequences of the significant changes confronting Journalism The Future of Journalism details the challenges facing the press in contemporary societies and provides essential reading for everyone interested in the role of journalism in shaping and sustaining literate civil and democratic societies This book consists of special issues from Journalism Studies and Journalism Practice
