The Presence And The Power:

The Presence and The Power Gerald F. Hawthorne,2003-02-20 We cannot escape the truth writes Gerald Hawthorne that Jesus was completely one of us Yet Jesus taught with amazing authority spoke God s word with extraordinary power healed people who were sick raised people who were dead opened the eyes of the blind and did other miraculous things seemingly beyond the ability of humans How Hawthorne asks Was it by means of his divine nature that he did all this for certainly he was fully God as well as fully human No is his resounding answer Through a careful study of the New Testament Dr Hawthorne argues that Jesus did not act from the prerogatives of one who shared the nature of God Rather he did what he did through the Holy Spirit upon whom he depended for power and authority Essential to this view is the affirmation that Jesus was indeed fully human In the pages of *The Presence and the Power* the author shows the role of the Spirit in Jesus conception and birth in his boyhood and youth in his baptism and temptation and ministry and in his death resurrection Hawthorne brings his discussion to a climax by setting forth his own understanding of the mystery of the interworking of the human and divine in Jesus This all serves to usher the reader into the final chapter the role of the Holy Spirit in the life of the believer This concluding chapter makes the truths of the book very clear as to their life application for any and all of Jesus followers

School of the Presence Kynan Bridges, 2017-11-21 Experience the supernatural as a way of life Many Christians are frustrated because the kinds of supernatural encounters seen in the Bible are so rare in their personal experience But don't be discouraged It is possible to consistently walk in God's powerful presence Respected apostolic voice Kynan Bridges invites you to *The Power of Presence* Neil T Anderson, 2016-03-20 Neil Anderson has travelled the world speaking and teaching and has written many books At his side at his back has been his wife Joanne they have been together for over 50 years Now Joanne is gripped by a long decline sinking gradually into agitated dementia She depends on Neil's presence calls him Daddy He has no training as a nurse but now for long hours he sits at her bedside and cares for her bodily needs They do not speak much conversation is a strain So Neil has used the silent hours to pray to spend time in God's presence and to reflect on what this means I have become keenly aware that God is using Joanne's illness to teach me about the power of presence he writes I'm learning on a much deeper level the purpose of just being there and what it means to be still and know that He is God There is an inexplicable peace that comes from knowing I don't have to do in order to be in God's will to be in His presence to be in each other's presence It has been a peaceful time of reflection upon the presence of God and how that has shaped me our marriage and ministry My theology tells me that God is omnipresent but we are not always aware of His presence and yet without His presence we are not fully alive *The Presence, Power and Heart of God* Randy Fisk, 2011-01-01 Christians everywhere are experiencing a desire to be effectively used by God This book covers the many aspects of how to partner with God in ministry It is modeled after the way Jesus ministered and taught others to do the same This the author contends is part of a coming Second Reformation in which every believer is used as God heals empowers and
