many have focused on the tank engagements especially the Battle of Prokhorovka there was an intense air battle going on overhead that was bigger than the Battle of Britain As part of the German offensive the Luftwaffe s VIII Air Corps deployed around 1 100 aircraft in the south alone while the opposing Soviet Second and Seventeenth air armies initially deployed over 1 600 aircraft There was a similar effort surrounding the German attack in the north The battle in the south began with a Soviet air strike on German airfields and a fight for control of the air that continued throughout the day across the front On the first day of the battle 5 July 1943 the Germans flew at least 2 387 sorties in the south while the two Soviet air armies flew 1 688 sorties That first day of battle resulted in 19 to 27 German planes and 189 Soviet aircraft shot down This was an aerial engagement like no other ever seen before Involved on the German side were the 52nd and 3rd Fighter Wings The 52nd Fighter Wing was the most accomplished fighter wing in history and many of its top aces were involved in the combats over the Kursk battlefield These included Walter Krupinski 197 claimed kills in the war G nther Rall the third highest scoring ace in history 275 claimed kills and the highest scoring ace in history Erich Hartmann 352 claimed kills Opposing them were what were to become three of the top five Soviet aces Kirill Yevstigneyev 53 claimed kills Nikolai Gulayev 55 claimed kills and the top scoring Allied ace of the war Ivan Kozhedub 62 claimed kills This was indeed the battle of the aces But there was also the massive ground attack effort by both sides including the Junkers Ju 87 Stuka fitted with 37mm anti tank guns flown by the man who would become most decorated soldier of the Third Reich Hans Ulrich Rudel The aerial battle involved hundreds of Soviet Sturmoviks or IL 2s Stalin s armored ground attack plane The battle featured the famous attack by Luftwaffe Hs 129s and Fw 190s on Soviet armor on 8 July 1943 Aces at Kursk is not just a war story but a revealing investigation that analyses the entire air battle that turned the tide of the war on the Eastern Front
