

An anatomical illustration of the human skeletal and muscular systems. On the left, a white, semi-transparent skeleton is shown in a standing pose. On the right, a detailed, realistic rendering of the muscles is shown in shades of red and orange, also in a standing pose. The two figures are positioned side-by-side, showing the relationship between the bones and muscles. A large, faint, grey spiral watermark is visible in the background. The text 'THE SKELETAL AND MUSCULAR SYSTEMS' is overlaid in the center in a bold, white, sans-serif font.
