

Small Business Marketing Management

Khosrow-Pour, D.B.A., Mehdi

Small Business Marketing Management:

Small Business Marketing Management Ian Chaston, Terry Mangles, 2002-01-01 Small Business Marketing Management uses both published research and real world case studies to provide students with an understanding of the key aspects of the small business marketing process Realistic validated through research management models and theories reveal how appropriate marketing strategies can be used to enhance small business performance This brand new text also considers the impact of e commerce and the Internet on the development of small businesses and the increasingly important role of the entrepreneur in the new economy Small Business Marketing Management is essential reading for undergraduate and postgraduate students studying small business marketing and will be an invaluable resource for anyone interested in this dynamic sector of the economy

Small Business Management Hasanraza Ansari, This book is a general introduction to managing a small business The book is meant to be a general and simplified introduction to the subject matter This book treats small business management as a practical human activity rather than as an abstract theoretical concept The hope is to teach concepts that can be immediately applied to real world experiences and case studies This book incorporates the use of technology and e business as a way to gain a competitive advantage over larger rivals Technology is omnipresent in today's business world and small businesses must use it to their advantage Practical discussions and examples of how a small business can use these technologies without having extensive expertise or expenditures are found within the readings Cash flow is extremely important to small businesses This book explicitly acknowledges the constant need to examine how decisions affect cash flow by incorporating cash flow impact content As the lifeblood of all organizations cash flow implications must be a factor in all business decision making Finally this book recognizes the need to clearly identify sources of customer value and bring that understanding to every decision Decisions that do not add to customer value should be seriously reconsidered

, **Marketing Information Guide**, 1964 **Marketing for a Small Business** Ricardo Machado, Cecile Nieuwenhuizen, 1997 This text introduces students to the basic concepts of marketing giving them the necessary guidance to enable them to carry out their own market research and to develop a marketing strategy They are shown how to identify the target market or the specific area where their product or service is directed Different aspects of marketing strategy relevant to a small business are also dealt with These include planning and promotion of a product its distribution and establishing the correct price in relation to competition in the market **Encyclopedia of New Venture Management** Matthew R. Marvel, 2012-05-18 The Encyclopedia of New Venture Management explores the skills needed to succeed in business along with the potential risks and rewards and environmental settings and characteristics
