The Ashgate Research Companion to Political Leadership Mikhail A.

Molchanov,2016-03-23 Discussing the major theories of political leadership with a focus on contemporary challenges that political leaders face worldwide this research companion provides a comprehensive and up to date resource for an international readership The editors combine empirical and normative approaches to emphasize the centrality of political culture as well as the limits of culture and the universal demands of innovative adaptation The volume examines **Bass & Stogdill's Handbook of Leadership** Bernard M. Bass,Ralph Melvin Stogdill,1990 For 15 years and through two editions this handbook has been indispensable for serious students of leadership Now in this third edition Bass introduces a decade of new findings on the newest theories and models of leadership With over 1 200 pages of essential information Bass Stogdill s Handbook of Leadership will continue to be the definitive resource for managers for years to come **Comparative Political Leadership** Ludger Helms,2012-07-25 This volume has been designed as a key resource in the field of international political leadership research Written by a team of distinguished leadership scholars from three continents and nine countries the original chapters gathered in this volume cover all the major fields of political leadership from executive legislative and party leadership to leadership in social movements and international organizations The special value and appeal of this book relates to its genuinely comparative focus that characterizes all chapters **Mental Health Research Institute Staff Publications** University of Michigan. Mental Health Research Institute,1961 **SIMSOC: Simulated Society, Participant's Manual** William A. Gamson,2000-07-24 The official guide to SIMSOC the dynamic group simulation game whose potential for stimulating the learning process is staggering Teaching Sociology in which players grapple with the challenge of governing society In SIMSOC players confront issues like abuse of power justice diversity trust and leadership as they negotiate their way through labor management strife political turmoil and natural disasters Success or failure is dependent upon decisions made by players and the creativity of the group and every game is a teaching tool To be successful players must utilize every basic social process from cooperation and reward to threat and punishment SIMSOC will make participants ask questions about social control and bring everyday experience and deeper understanding to even the most arcane social and organizational theory Included in this Fifth Edition of SIMSOC s Participant s Manual are instructions for playing materials for play study questions based on participation and selected readings about simulation games leadership and social processes New to the Fifth Edition are additional size levels to accommodate groups of up to ninety participants with simplified rules and readings by authors from Nicholas Lemann to Robert Putnam **The Oxford Handbook of Political Leadership** R. A. W. Rhodes,Paul 't Hart,2014 Political leadership has returned to the forefront of research in political science in recent years after several years of neglect This Handbook provides a broad ranging and cohesive examination of the study of political leadership **Anglo-Soviet Relations, 1917-1921, Volume 2** Richard H. Ullman,2019-03-26 At the end of World War I the British government found itself deeply mired in a Russian civil war aimed at destroying the infant Bolshevik regime A year later this effort was in shambles despite massive assistance from abroad Anti

Bolshevik forces were in retreat and soon were completely annihilated During 1919 the British government concluded that the costs of bringing down Bolshevism in Russia were prohibitively high This book is an account of how this conclusion was reached and of the conflict over Russian policy between David Lloyd George and Winston Churchill Richard H Ullman is Associate Professor of Politics and International Affairs Princeton University Published for the Center of International Studies Princeton University Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Political Psychology in International Relations Rose McDermott, 2009-12-22 This outstanding book is the first to decisively define the relationship between political psychology and international relations Written in a style accessible to undergraduates as well as specialists McDermott's book makes an eloquent case for the importance of psychology to our understanding of global politics In the wake of September 11 the American public has been besieged with claims that politics is driven by personality Saddam Hussein Osama bin Laden Kim Chong Il Ayatollah Khomeini America's political rogues gallery is populated by individuals whose need for recognition supposedly drives their actions on the world stage How does personality actually drive politics And how is personality in turn formed by political environment *Political Psychology in International Relations* provides students and scholars with the analytical tools they need to answer these pressing questions and to assess their implications for policy in a real and sometimes dangerous world

Strategic Leadership Models and Theories Som Sekhar Bhattacharyya, Sumi Jha, 2018-06-29 This book explores the idea of an India centric leadership model presenting an in depth research study of strategic leadership theories and applying them to India's unique culture

Politics and Peasants in Interwar Romania Sorin Radu, Oliver Jens Schmitt, 2017-11-06 The volume discusses the integration of peasants into the nation building project of Greater Romania with a focus on social and cultural practices Thus it addresses one of the key questions of the new political system in post imperial East Central and Southeast Europe It advocates a shift from a multiple top down perspective capital province urban political elites rural voters to an analysis concentrating on regionally diverse rural societies with a special interest in the predominantly ethnic Romanian population

Effective Leadership in Nigeria Dr. Onyema G. Nkwocha, 2012-01-04 *Effective Leadership In Nigeria Practical Ways To Build an Effective Inspiring Transformational and Visionary Leadership and Governance in Nigeria* is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems principles processes procedures and practical applications inherent in effective inspiring visionary and enthusiastic leadership It attempts at instituting building and encouraging good effective and visionary leadership in the nation and that is currently virtually

lacking From the outset the author makes it clear that this writing is not designed to model or fit any known leadership paradigm theory or management style Rather based on relevant research on leadership as it impacts the Nigerian situation the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better The book is written and organized in a way that reflects and captures the contemporary experiences frustrations psychological emotions aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country their concerns questions dreams and the expectations that have virtually gone unmet in the past more than half a century Properly elucidating what leadership means and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership struggles A masterpiece Dr Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership its principles processes and pragmatic applications The book is a must read *The Future of Political Science* Harold D.

Lasswell,2017-09-04 Harold D Lasswell is arguably the quintessential face of political science to the larger public of the past century However there is a side to Lasswell less well known but of special importance in this day and age the place of the profession of politics as an academic activity This book written at the start of the culture wars thirty years ago outlines the basic core position of political science practitioners It helps to explain why the field kept its collective cool when other social science professionals veered to more extreme activist positions The Future of Political Science grew out of the phenomenally rapid expansion of the study of government in the United States and elsewhere The study of professionalism among physical scientists lawyers engineers etc was not matched by such internal examination within the social sciences until much later Lasswell's overview centered on developments in the United States There unfettered study of government reached unprecedented heights in the final stage of the twentieth century The key concept of this volume one that continues to inform discourse is the relationship of political science as a mechanism for the study and teaching of the political system to the field as a tool of the Establishment This concern grew in the wake of a variety of scandals and secret support sponsored by both government and non government organizations alike The Future of Political Science covers areas ranging from membership size and disparities intervention scenarios in world events the nature of creativity in political research collaboration in projects with the other social sciences and the location of scientific centers of gravity in the study of politics Because of Lasswell's works we have a field of the political science of knowledge as well as the sociology of knowledge Harold D Lasswell served as Ford Foundation Professor of the Social Sciences at Yale University Distinguished Professor of Policy Sciences at Joh **Leadership in East Asia** Chris Rowley,Ingyu Oh,2020-06-29 This book compares and contrasts leadership in Japan South Korea and China examining the impact of globalization on leadership styles and trends Presenting

some of the most recent findings in leadership studies in these three countries the collection explores the power relationship between political and business leaders employer employee relationships and pro social behaviour the measurement of effective leadership the relationship between leadership and corporate success the survival of private firms in a tightly controlled or socialist market and the evolution of leadership styles in the transition from state owned to semi private Although many studies have offered explanations of East Asian economic and corporate success this book presents empirical evidence to explain the leadership styles in Japan South Korea and China and provides a fresh outlook for those studying business and leadership in the region This book was originally published as a special issue of the Asia Pacific Business Review

Primate Politics Glendon A. Schubert, Roger D. Masters, 1991 The first book to focus on the political behavior of primates also undertakes to compare human social behavior with that of nonhuman primates The editors contribute probing introductory essays to each of the three major parts of the volume in addition to their article length introductory and concluding chapters In his conclusion Masters indicates directions for future work Part I is devoted to theoretical clarification of the interrelationships between the study of primates and humans Part II presents two examples of comparisons between animal and human social behavior that throw valuable light on contemporary political and social systems Part III focuses more precisely on contemporary human politics providing two concrete examples of ethological perspectives on human political behavior In both cases nonverbal cues studied by primatologists are shown to illuminate the dynamics of human politics Contributors include Nicholas G Blurton Jones Frans B M de Waal Basil G Englis Jane Goodall Bruno Latour Roger D Masters Gregory J McHugo Elise F Plate Thelma E Rowell Glendon Schubert James N Schubert Shirley S Strum and Denis G Sullivan
