Smell The Subtle Sense:

Smell, the Subtle Sense Alvin Silverstein, Virginia Silverstein, Robert Silverstein, 2000-05 Smell is one of your most important senses It stimulates your appetite influences the way you feel warns you of danger and even unlocks your memories Yet it is your vaguest and most neglected sense In this book you will discover more about this mysterious sense and learn just how complex and essential it is in your own life and in those of other living creatures Did you know that different types of smells influence the way you feel think and act that your body odor can often be used in diagnosing an illness that you can distinguish 5 000 different odors but probably cannot describe the smell of a freshly baked cookie Black and white illustrations Smell, the Subtle Sense Alvin Silverstein, Virginia B. Silverstein, Robert Silverstein, Ann

Neumann, 1992 Discusses the complex nature of the sense of smell and the importance of the nose Also discusses how odors are produced how they help in identifying specific diseases and their psychological and physical effects **Olfaction, Taste, and Cognition** Catherine Rouby, Benoist Schaal, Danièle Dubois, Rémi Gervais, A. Holley, 2002-10-28 The human organs of perception are constantly bombarded with chemicals from the environment Our bodies have in turn developed complex processing systems which manifest themselves in our emotions memory and language Yet the available data on the high order cognitive implications of taste and smell are scattered among journals in many fields with no single source synthesizing the large body of knowledge much of which has appeared in the last decade This book presents the first multidisciplinary synthesis of the literature in olfactory and gustatory cognition Leading experts have written chapters on many facets of taste and smell including odor memory cortical representations psychophysics and functional imaging studies genetic variation in taste and the hedonistic dimensions of odors The approach is integrative combining perspectives from neuroscience psychology anthropology philosophy and linguistics and is appropriate for students and researchers in all of these areas who seek an authoritative reference on olfaction taste and cognition *The Golden Sherpa* Matthew

Krajewski, 2014-02-05 In *The Golden Sherpa Ascending into Magical Spirituality* Matthew Krajewski invites spiritual seekers to follow him through a rainbow of heart based spiritual practices While one may explore diverse mystical practices we can all sometimes doubt our authenticity and need some user feedback to assure us we are cultivating our own special divine light Building on ideas from his first book *Modern Magic Reclaiming Your Magical Heritage* his follow up book *The Golden Sherpa* details how it truly feels to experience spiritual energy By teaching ourselves new ways to think by way of the heart *The Golden Sherpa* articulates biological spiritual energy as our true nature details the light and shadow of energy as well as ways to passively and actively experience energy Matthew Krajewski left a successful career in Silicon Valley to embrace being a spiritual writer and teacher and he uses this journey to explore the struggles and joy we all experience when following our hearts By following *The Golden Sherpa* everyone can better understand energetic reality explore their own magic and ascend to new heights of integrated living **Exploring the Senses** Axel Michaels, Christoph Wulf, 2017-09-19

This fascinating volume offers a transdisciplinary and transcultural approach to understanding the senses by exploring themes in anthropologies of sound sight smell taste touch and movement as expressed through aesthetic perceptual religious and spiritual experiences In drawing upon comparative perspectives from Indian and Western theories the essays demonstrate the integral relation of senses with each other as well as with allied notions of the body emotion and cultural memory Stressing the continued relevance of senses as they manifest in a globalized world under the influence of new media this work will interest scholars of anthropology cultural studies sociology ritual studies psychology religion philosophy and history

Practical Tantra (HB) William Schindler,2019-08-10 Though often associated with sexual practices traditional Hindu Tantra presents a body of sophisticated psycho physical techniques for attaining enlightenment The tradition is often perplexing to the uninitiated due to Tantra s use of metaphors that serve to keep the teachings secret from outsiders The author reveals the secrets and hidden meanings of important Tantric symbols and distills 50 years of practice and teaching into a form accessible to readers new to the tradition Drawing on his own experience the author presents a demystified and simplified version of Tantric practices that any sincere spiritual aspirant East or West can actually do

Smelling and Tasting Alvin Silverstein, Virginia B. Silverstein, Laura Silverstein Nunn,2002-01-01 Describes the function of smells and tastes how the brain translates and processes these messages and the research in these areas

The Mindful Home Dr Craig Hassed, Deirdre Hassed, 2015-11-01 A house is merely physical but a home is far more subtle and elusive This book takes the view that being at home is a metaphor for finding ourselves finding our core What do we find at our core Well if the world's great wisdom traditions have anything to say about it then home is about qualities that we could equate with good itself true happiness peace beauty wisdom and inspiration It is also about the good things in life such as harmony relationships health and wealth So how are we to find our core and create a home that reminds us of the qualities associated with it That is where the practice of mindfulness comes in By exploring the ways in which we feed our mind and our heart through our senses how we use space the practicalities of managing a home and how we can live a healthy and sustainable life at home The Mindful Home will enable us to shape the living space we really want creating an environment that both nurtures and invigorates us while meeting our needs Beautifully designed this is the ultimate guide to the art of conscious living Combines the two megatrends of Mindfulness and Home Improvement in a beautiful useful book which has attracted enormous pre publication interest around the world as the only book of its kind Chapters include Philosophy of The Mindful Home The Five Senses The Five spaces Home as a Healthier Environment
