William Bohnaker, 1990 An academic who has lived and taught in Japan Bohnaker says that Japan is a country in which a highly formulaic and ritualized culture overlays an often desperate prejudiced and unhappy reality Japanese sarari men white collar workers are married to the work place and seek release in after work bouts of drunkenness women occupy a decidedly unequal place in society children are driven sometimes to suicide by a brutal educational system et cetera While there is considerable truth in much of what Bohnaker says he doesn't discuss the concomitant weaknesses of Western culture or the Japanese philosophic and aesthetic values that endure outside the realm of mass culture The North Carolina Historical Review, 1990 Beneath the Waters Oswaldo França Júnior, 1990 There were stories and stories beneath the waters love and hate tenderness and greed This dazzlingly original novel gives them to us for safekeeping the life and the people of a place that is no more All the places where those people lived are now submerged forever in silence and darkness at the bottom of a lake There was the seamstress Dona Zulmira whose husband had to be watched like a hawk lest he wander naked from the house the rancher Rodolfo who could not stay away from his neighbor's wife Eugenio the mama's boy with an unexpected head for business the little girl Elisa who plucked the feathers from her father's singing bird but couldn't say why the young husband Paulo Roberto whose childhood interest in girls was branded on his flesh in the form of two deep scars the schoolteacher Dona Laisa who interrupted her own bridal procession to discipline her students the hotel owner Adolfo whose affair with a prostitute ended when she drank some poison just before making love to him for the last time and so many others A uniquely original novelist incomparable among us the most Brazilian of us all Jorge Amado author of *Dona Flor and Her Two Husbands* Max and the Cats Moacyr Scliar, 1990 Cloaked among the leopard skins in his father's Berlin fur shop young Max Schmidt grows up dreaming of adventure and intrigue When as a young man an illicit affair gets him denounced to the Nazi secret police Max barely escapes on a freighter only to founder off the coast of South America Trapped in a dinghy with a hungry jaguar he believes his days are numbered until he washes ashore on the coast of Brazil prepared to begin life anew But just when he thinks he has left behind the cats of his youth another appears and Max realizes the time has come to take his destiny into his own hands Book jacket
