Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Unjustifiable Risk?* Simon Thompson,2012-03-06 To the impartial observer

Britain does not appear to have any mountains Yet the British invented the sport of mountain climbing and for two periods in history British climbers led the world in the pursuit of this beautiful and dangerous obsession *Unjustifiable Risk* is the story of the social economic and cultural conditions that gave rise to the sport and the achievements and motives of the scientists and poets parsons and anarchists villains and judges ascetics and drunks that have shaped its development over the past two hundred years The history of climbing inevitably reflects the wider changes that have occurred in British society including class gender nationalism and war but the sport has also contributed to changing social attitudes to nature and beauty heroism and death Over the years increasing wealth leisure and mobility have gradually transformed climbing from an activity undertaken by an eccentric and privileged minority into a subdivision of the leisure and tourist industry while competition improved technology and information and increasing specialisation have helped to create climbs of unimaginable

difficulty at the leading edge of the sport But while much has changed even more has remained the same Today s climbers would be instantly recognisable to their Victorian predecessors with their desire to escape from the crowded complexity of urban society and willingness to take unjustifiable risk in pursuit of beauty adventure and self fulfilment Unjustifiable Risk was shortlisted for the Boardman Tasker prize in 2011 *The Alpine Journal* ,1928 Sport in Britain Richard William Cox,1991 **The Canadian Alpine Journal** ,1988 *The British Library General Catalogue of Printed Books, 1986 to 1987* British Library,1988 **Mountain** ,1985 *Journal Alpin Canadien* ,1986 Oxford Dictionary of National Biography: Smillie-Sprott Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 *Appalachia* ,1929 **Climber's Paradise** PearlAnn Reichwein,2014-08-15 The mountain parks are for all Canadians for all time and their value cannot be measured in terms of how many access roads motels souvenir shops and golf courses we ve provided Bob Jordan 1971 The Alpine Club of Canada imagined the Rockies and neighbouring ranges to the west and the north as a climber s paradise Through a century of adventure and advocacy the ACC led the way to mountain pursuits in spectacular regions Historian and mountain studies specialist PearlAnn Reichwein s research is informed by her experiences mountaineering and by her interest in mountain culture She presents a compelling case for understanding wild spaces and human activity within them as parts of a whole A work of invaluable scholarship in the areas of environmental history public policy sport studies recreation and tourism Climber s Paradise will appeal to many non specialists mountaineers environmentalists and travellers across Canada and beyond **The Rucksack Club Journal** Rucksack Club,1927 **The London Mercury** Sir John Collings Squire,1929 British Books in Print ,1979
