## Snake Doctor:

**The Snake Doctor** Odie Hawkins, 2013-03-01 Snake Doctor is a modern African American Faustian epic The story is of a man who made a supernatural deal with a wizard in the Equatorial Rain Forest of Northern Ghana The deal that was made guaranteed this man that he would receive the money he needed to make the break out film he yearned to make The proper sacrifices were made the money poured in and the filmmaker became an international success But all does not remain sweetness n light The shadow of the wizards influence remains a mental section that the filmmakers son must deal with It takes grit determination and hard work to overcome the obstacles but the deeds are done and we are led to believe that all will be well Snake Doctor and Other Stories C. Jerry Hale, 2023-12-12 A collection of stories ranging in time from the

1940 s to present and taking place in locales such as Memphis Tennessee Sheffield Alabama Chattanooga Tennessee and various other rural locations in the South The stories chronicle the lives life events and conflicts of southern characters including the poor and rural high school and college students the elderly children the educated and uneducated businesspeople teachers and the working class A rich thread of southern heritage culture and the human condition runs throughout the collection and brings to life the character s motivations mannerisms eccentricities persistence and resilience Characters such as Uncle Lum Uncle Caleb and Aunt Martha Mitchell Murphy and Marsha Butler Pack Jordan and Granville Graves Nancy and Jack Walter and Edna and Paul and Davey evoke the intimate expanse of history legend truth desperation and textures of place Southern places Southern people Southern conflicts and Southern relationships *Doctor in the World*

Hiram Baddeley, 2023-01-06 Doctor in the World opens with personal experiences of the socialist NHS in England and Wales in developing countries in Central America Africa and East Asia Medicare insurance schemes in Canada and Australia then back to the NHS in its hybrid public private and internal market form It is an anecdotal record of medical care in many different places around the world A country s government has an impact on the health of its people and so geopolitical backgrounds that affect medical services have been included Finally the results of WHO and OECD surveys from many countries are compared against the background of phenomenal advances in modern medicine The stories of world health will interest anyone involved in medical care anywhere in the world *The Negro Traditions* Thomas Washington Talley, 1993

This collection of previously unpublished tales is a major contribution to the annals of African American folk narrative Ranging from fables to historical narratives these tales contain a rich variety of information on folk customs speech and songs providing the reader with a deeper understanding of and appreciation for nineteenth century African American culture Negro Traditions offers wonderful descriptions of all manner of rural African American folk customs including valuable insights into post Civil War life in rural Middle Tennessee from riddles to dances and how former slaves and their children felt about their lives At times the movement of these tales toward tragedy is reminiscent of Faulkner their humor suggests Sut Lovingood their occasional dark surrealism has overtones of Cormac McCarthy But the overriding reality of these tales as

a representation of a people and their culture gives them a power that moves the reader beyond fiction and into factuality Here are no banjo plunking renditions of Zip A Dee Doo Dah these tales are full of the realities of life violence work the power of the supernatural family life racial tension and an intense burning resentment against slavery      **Popular Beliefs and Superstitions from North Carolina** Wayland D. Hand,1964      America's Snake Ted Levin,2016-05-12 The acclaimed naturalist offers an in depth profile of the timber rattlesnake from its unique biological adaptations to its role in American history The ominous rattle of the timber rattlesnake is one of the most famous and terrifying sounds in nature Today they are found in thirty one states and many major cities Yet most Americans have never seen a timber rattler and only know them from movies or our frightened imaginations Ted Levin aims to change that with America s Snake This portrait of the timber rattler explores its significance in American frontier history and sheds light on the heroic efforts to protect the species against habitat loss climate change and the human tendency to kill what we fear Taking us from labs where the secrets of the snake s evolutionary adaptations are being unlocked to far flung habitats that are protected by dedicated herpetologists Levin paints a picture of a fascinating creature peaceable social long lived and despite our phobias not inclined to bite The timber rattler emerges here as an emblem of America but also of the struggles involved in protecting the natural world A wonderful mix of natural history travel writing and exemplary journalism America s Snake is loaded with remarkable characters none more so than the snake itself frightening fascinating and unforgettable A CHOICE Outstanding Academic Title Award winner      **The Snake** John Godey,2013-12-12 A lethally venomous snake is on the loose in New York City in this thriller by the New York Times bestselling author of The Taking of Pelham One Two Three On a steamy night in Central Park a sailor returning from South Africa gets mugged What the mugger doesn t know is that the sailor is carrying a deadly black mamba the most poisonous snake in the world The sailor is murdered the mugger is bitten and the snake slithers off into the underbrush As city authorities rush to capture the snake the populace desperately tries to stay out of its way in this fast moving thrill ride with plenty of bite      *Archives d'etudes orientales* ,1920      Equal Chances Is Said,2012-04
