Ruesch,2023-02-09 Life can offer opportunities at the most unusual times even with a simple request to drive a car and your life is changed forever Which then leads to a career with the YMCA of the Rockies The question arises how do you create a family vacation and conference center out of land that was once homesteaded You need to construct not only the roads but install all the infrastructure build the buildings and market the property to successfully pay for everything A daunting challenge but when God calls you answer This is the story of a college student asked to drive a YMCA of the Rockies board member to a homestead that was for sale and witness the decision to create Snow Mountain Ranch YMCA and eventually working there for over a decade during the formative years Snow Mountain turned fifty in 2019 This is the story about the early years the challenges the excitement and the opportunity of a lifetime *Undertones of War* Edmund Blunden,2015 Edmund Blunden 1896 1974 was one of the youngest of the war poets enlisting straight from school to find himself in some of the Western Front s most notorious hot spots His prose memoir written in a rich allusive vein full of anecdote and human interest is unique for its quiet authority and for the potency of its dream like narrative Once we accept the archaic conventions and catch the tone which can be by turns horrifying or hilarious *Undertones of War* gradually reveals itself as a masterpiece It is clear why it has remained in print since it first appeared in 1928 This new edition not only offers the original unrevised version of the prose narrative written at white heat when Blunden was teaching in Japan and had no access to his notes but provides a great deal of supplementary material never before gathered together Blunden s Preliminary expresses the lifelong compulsion he felt to go over the ground again and for half a century he prepared new prefaces added annotations All those prefaces and a wide selection of his commentaries are included here marginalia from friends first editions remarks in letters extracts from later essays and a substantial part of his war diary John Greening has provided a scholarly introduction discussing the bibliographical and historical background and brings his poet s eye to a much expanded and more representative selection of Blunden s war poetry For the first time we can see the poet Blunden as the major figure he was Blunden had always hoped for a properly illustrated edition of the work and kept a folder full of possible pictures The editor with the Blunden family s help has selected some of the best of them to include in this new edition Jacket *Expressing Silence* Natsuko Tsujimura,2022-03-03 In *Expressing Silence* Where Language and Culture

Meet in Japanese Natsuko Tsujimura discusses how silence is conceptualized and linguistically represented in Japanese Languages differ widely in the specific linguistic and rhetorical modes through which vivid depictions of silence are achieved In Japanese sounds in nature evoke silence and onomatopoeia plays an important role in simulating silent scenes These linguistic mechanisms mediate the perception of the symbiotic relationship between sound and silence a perception deeply embedded in the Japanese cultural experience Expressing Silence brings the tools of both linguistic and cultural analysis in examining the remarkably rich array of representations of silence in Japanese language and culture finding that depictions of silence through language cannot be understood without exploring what sound or silence mean to the speakers
