Snowflake Sisters:

The Snowflake Sisters J. Patrick Lewis, 2012-04-19 Join two snowflake sisters quick as they spiral down to glimpse St Nick Then roller coaster on and fall upon New York and the New Year's ball Once it's dropped and the old year's out arc on up to Central Park There before you grow much older lay awhile on a snowboy's shoulder **Hideaway at Silver Lake** Jennifer Greene, 2023-01-31 If you love Jill Shalvis and Lori Wilde then you won't want to miss this new novel and start of a new series The Snowflake Sisters by USA Today bestselling author Jennifer Greene who returns with a poignantly emotional story about the joys and frustrations of family sisters and self discovery They say there's no place like home for the holidays but Poppy McGuire is done with all that Her sisters are suffocating and her father hasn't done anything for himself in years What she needs is a change of pace of heart of attitude and so she flees to an isolated Wisconsin cabin determined to get through to a Happy Solo New Year's At first Poppy's blissful solitude is only interrupted by a few welcome distractions in the form of her hunky flannel clad neighbor and his loveable rather large dog Bubbles The weight of responsibilities falls off her shoulders reigniting a joy in life she'd thought was long gone And then her sisters track her down barging in unannounced with their problems and panics and overwhelming need to get Poppy to solve things But a new year means new changes it's time for all these sisters to grow up before their family falls apart Hideaway at Silver Lake is Jennifer Greene at her best characters you can't help but love a setting you can't help but pine for and the happily ever after we all aspire to find This novel is a like a warm cup of cocoa perfect for fans of Debbie Macomber and Jenny Colgan *New and Selected Poems, 1975-1995* Thomas Lux, 1997 Thomas Lux's poems embody the sound of deep emotions lightly carried In their deft sometimes humorous fashion they unseat the spirit fastening on the rueful and mysterious poignancies of our lives like that unopened bottle of maraschino cherries abandoned in the refrigerator or cocking a snook at the dreadful challenges of commercial leech farming today For the past twenty five years Lux's work has grown from his early experiments in surrealism into a body of work that while challenging the mind and affecting the funnybone is designed to touch the heart a destination Lux attains with the utmost precision and delicacy This book for the first time brings together in one volume the best of his mature work **Little Snow Girl** Nellie McCaslin, 1963-12 A children's play in three acts based on the old Russian legend of the child made of snow who came alive **Sisters in Spirit** Maureen Ursenbach Beecher, Lavina Fielding Anderson, 1987 This book of essays about Mormon women all written and edited by scholars who are themselves Mormon women is a brave and important work Readers will fully appreciate just how brave and important it really is however if they can see how this work of historical theology fits into the history of historical writing about Mormon women as well as how it fits into Mormon history itself The women who contributed to this book are among the best of the Mormon literati they hold that there is hope within the church for change for reform for expansion of the place of women Women's Review of Books Historians of women in America have a great deal to learn from the history of Mormon women This fine set of essays provides an excellent introduction to a subject
