## So You Think You're Human:

**So You Think You're Human?** Felipe Fernández-Armesto, 2005 You think you're human. But what does that mean? How can humanity be defined? Felipe Fernandez Armesto takes us on an enlightening and provocative journey through the history of humankind to reveal the challenges to our most fundamental belief that we are and have always been human. Fernandez Armesto investigates advances in artificial intelligence and genetics and asks what these mean for the future of human values, human rights and the defence of human dignity. The book illustrates how our concept of humankind has changed over time and how our current understanding of this has been shaken by new challenges from science and philosophy. **Failure**

Davies, 2025-02-04 A history of how humans have created monsters out of each other from our deepest fears and what these monsters tell us about humanity's present and future. Monsters are central to how we think about the human condition. Join award-winning historian of science Dr Surekha Davies as she reveals how people have defined the human in relation to everything from apes to zombies and how they invented race, gender and nations along the way. With rich evocative storytelling that braids together ancient gods and generative AI, Frankenstein's monster and E.T. **Humans: A Monstrous History** shows how monster making is about control; it defines who gets to count as normal. In an age when corporations increasingly see people as obstacles to profits, this book traces the long volatile history of monster making and charts a better path for the future. The result is a profound effervescent empowering retelling of the history of the world for anyone who wants to reverse rising inequality and polarization. This is not a history of monsters but a history through monsters. **The**

Mafia Kingdom CD Reiss, 2024-12-09 A QUEEN IN WAITING After fifty years of peace Carmine Montefiore's decree rains down on the families of this city Your daughters will line up and he will choose his bride When families have failed to release their girls to the line the Montefiores have left a bloodbath behind It is my birthright to be sacrificed And so my only hope for a new life comes at the hands of Massimo Colonia a man stained with sin and absolutely forbidden A KING IN EXILE All I want to do is return home and take back my kingdom but the moment I see her in that dark alley my world shifts She is mine And if the Families think I'm handing her over to keep their peace they'll find out how wrong they are They've forgotten who they are dealing with I am the last capo of the Colonia and for her I will rain hell on all of them **Unconditional Equals**

Anne Phillips, 2021-09-21 Why equality cannot be conditional on a shared human nature but has to be for all For centuries ringing declarations about all men being created equal appealed to a shared human nature as the reason to consider ourselves equals But appeals to natural equality invited gradations of natural difference and the ambiguity at the heart of nature enabled generations to write of people as equal by nature while barely noticing the exclusion of those marked as inferior by their gender race or class Despite what we commonly tell ourselves these exclusions and gradations continue today In *Unconditional Equals* political philosopher Anne Phillips challenges attempts to justify equality by reference to a shared human nature arguing that justification turns into conditions and ends up as exclusion Rejecting the logic of justification she calls instead for a genuinely unconditional equality Drawing on political feminist and postcolonial theory *Unconditional Equals* argues that we should understand equality not as something grounded in shared characteristics but as something people enact when they refuse to be considered inferiors At a time when the supposedly shared belief in human equality is so patently not shared the book makes a powerful case for seeing equality as a commitment we make to ourselves and others and a claim we make on others when they deny us our status as equals *Community Cook Night* Jamie

Tyler,2014-08-21 This commentary is not based on other commentaries It is an attempt to dare to see Jesus as he said he is Care has been taken to remain monotheistic Liberty has been taken to view women as equal to men something that hasnt been successfully done in any culture since Jesus walked the earth We have dared to look with fresh eyes at the Bible especially the gospel of John and assume nothing that is based solely on Christian tradition This is a viewthere are many views This one demands thinking and challenges the way we have been influenced to think about the Bible You may not agree with everything you read here but if you read the entire commentary you will never read the Bible the same again Interestingly the very first word Jesus said in his public ministry was the Greek word that means change your thinking
