Transformations and Crisis of Liberalism in Argentina, 1930-1955 Jorge A. Nállim, 2014-08-14 N llim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hip lito Yrigoyen and the deposing of Juan Per n in 1955 While historians have primarily focused on liberalism in economic or political contexts N llim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas N llim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina N llim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and shows how each attached liberalism to their cause N llim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or irrelevance N llim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well

Human Rights Issues and Vulnerable Groups J. Alberto del Real Alcala, 2017-11-13 This volume covers topics related to human rights issues and problems of people who are overwhelmed by hostile situations around them and are subsequently rendered vulnerable The situations of vulnerability discussed in this book are related to suffering caused by the moral family social economic or

political conditions in which the people and the groups they belong to live Readers are guided through a discussion about rights as an instrument through which civil society and the Rule of Law try to curb or even eliminate the suffering of these people The aim of such efforts is to restore the situation of vulnerable people to a level of normality Human Rights Issues and Vulnerable Groups presents a discussion of issues surrounding several kinds of vulnerable groups minorities children gender groups persons with disabilities migrants cultural groups displaced persons victims of terrorism linguistic groups poor people people in prison and sexual minorities The book is a detailed reference for graduates and scholars in law political science sociology and social psychology The volume is also recommended for working professionals who operate with human rights groups and general readers non experts who want to understand the discourse about human rights in a holistic moral legal social economic and political framework

Géneros extremos/extremos genéricos Rafael Vélez,2006 Este libro trata sobre la pornografía afrontada desde dos perspectivas tituladas *Extremos genéricos* multidisciplinaria y *Géneros extremos* centrada en la pornografía en la literatura Decrypting Power Ricardo Sanín-Restrepo,2020-05-19 Decrypting Power aims to reach a unifying concept that allows the connection of the fundamental theses stemming from critical legal studies Subaltern studies decolonization law and society global political economy critical geopolitics and theories of decoloniality This volume proposes that this concept is the encryption of power a category of analysis that reveals the weakness of political liberalism when it takes the place of the legitimate fundament of democracy as well as its consummate capacity to conceal new mechanisms of global power The theory of encryption of power understands that there is only a world where difference exists as the fundamental and sole order but also that such a possibility is heavily obstructed by the concentration of power in forms of oppression The world hangs on the thread of this entangled reality made up of difference and its denial of democracy and its simulations of truth and its codifications The decryption of power is then above all a theory of justice essential to radical democracy which comes fully equipped to prevail over the conditions that deny the possibility of an egalitarian world *Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 34 (2018)* Inter-American Commission on Human Rights,2022-11-07 The print edition is available as a set of three volumes 9789004393219 *Law, Religion, Constitution* Dr Cristiana Cianitto,Ms Donlu Thayer,Professor Silvio Ferrari,Professor W Cole Durham Jr.,2013-09-28 What is the place assigned to religion in the constitutions of contemporary States What role is religion expected to perform in the fields that are the object of constitutional regulation Is separation of religion and politics a necessary precondition for democracy and the rule of law These questions are addressed in this book through an analysis of the constitutional texts that are in force in different parts of the world Constitutions are at the centre of almost all contemporary legal systems and provide the principles and values that inspire the action of the national law makers After a discussion of some topics that are central to the constitutional regulation of religion the book considers a number of national systems covering countries with a variety of religious and cultural backgrounds The final section of the book is devoted to the discussion of the constitutional regulation of some particularly controversial issues such as religious education the relation between freedom of speech and freedom of religion abortion and freedom of conscience Policía, violencia, democracia Máximo Sozzo,2005 **Un gran caso en favor de la libertad (sobre privilegios parlamentarios)** Colegio de Abogados de Mendoza,1923 Aplicación.
