Crisfield, 2010 An introduction in text and illustrations to the techniques and strategies of soccer **Soccer Homework: Skill Drills for 1-3 Players**, *Rondo Soccer Drills* Chest Dugger, 2021-06-12 Have you wondered how Pep Guardiola's teams have dominated European leagues for the last two decades Not only is the answer simple it's something that you can use to take your game and your team's game leagues above your opposition The key to Pep's success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they've helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4

However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now Great National Soccer Teams Annie Leah Sommers, 2010-01-15 Provides an illustrated look at twelve of the world's best soccer teams highlighting exceptional players and memorable moments in the history of each team **The Best of Soccer Journal** Jay Martin, 2011-09 Includes the best articles from Soccer Journal that cover the most important aspects of soccer technique tactics the mental game and the physical game Book 4: Soccer Revelations Coaching Knowledge Bert Holcroft, 2019-05-17 The Holcroft saga is a rugby story the like of which may never have been equaled in the history of the game It begins over a century ago when Mr George Holcroft took charge of Leigh St Peters RLFC in 1889 He married and when his family grew Jack Harry William and Tom all played for local teams They married and George's grandsons Bert and Bill also played Bert Holcroft has been a distinguished servant for the game of rugby all his life He holds coaching certificates from both the Australian and British governing bodies one of only a handful of men to achieve such an honor in the game's history For twenty odd years Bert Holcroft has had one of the unlikeliest jobs in sport teaching Australian rugby coaches how to coach Considering the Australian dominance in the World Rugby in recent years that might seem par with taking coal to Newcastle But make no mistake Bert Holcroft has done as much as anyone to ensure Australia's reemergence as a major rugby power On the face of it Australia wouldn't seem to need any outside help let alone from a Pom Their record of only one test defeat since 1978 speaks for itself But Bert's reputation is nationwide down under quite simply he's one of the best in the business Bert who played for Leigh between 1950-60 has spent much of his latter years Down Under lecturing to top grade coaches in New South Wales Born and bred in Cameron Street Leigh Bert has few peers when it comes to teaching the basics of the 13 a side game Since migrating in the late 60s Bert has dedicated his life to coaching and fitness techniques Teams in Queensland New South Wales and Sydney have all come under his influence often with spectacular results Bert's credentials are impeccable Last summer he achieved the highest accolade in Australia his grade 3 certificate personally signed by the then Australian league chairman Kevin Humphreys and the director of coaching Peter Corcoran

Three years earlier Bert has sailed through his grade 1 and 2 with flying colors In 1953 he was awarded his senior coaching certificate in England Bert who held a number of posts at Hilton Park before immigrating to Australia has spent a lot of his time heavily involved with rugby in the universities there He became director of coaching for the University of New South Wales and later coach of the Combined Universities side He was awarded coaching accreditation by the Australian Institute of Sport Department of Sport and Recreation New South Wales and the NSW Rugby League for administration as well as national coaching certificates in both Britain and Australia being one of only a handful of people to do so Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs
