and suggests new paths of inquiry It examines the fiscal systems and practices of medieval Europe including essential themes such as medieval fiscal theory and the power to tax royal and urban taxation and Church taxation It goes on to survey the entire European continent as well as including comparative chapters on the non European medieval world exploring questions on how taxation developed and functioned what kinds of problems authorities encountered assessing their fiscal power and the circulation of fiscal cultures and practices across cities and kingdoms The book also provides a glossary of the most important types of medieval taxes giving an essential definition of key terms cited in the chapters The Routledge Handbook of Public Taxation in Medieval Europe will appeal to a large audience from seasoned scholars who need a comprehensive synthesis to students and younger scholars in search of an overview of this critical subject Constructive Theory of Functions (1905-1930) Serge Bernstein,1958 **Russian Westernizers and Change in International**

The Reception of Byzantine Culture in Mediaeval Russia Francis J. Thomson,2024-12-11 It is a truism that Russian culture is based upon the reception of Byzantine culture However the question of what was in fact received is the task that Professor Thomson has set in these studies by means of a detailed examination of the corpus of translations Down to the 17th century this corpus was essentially made up of works required for the liturgy and the monastic life Few works of dogmatic theology and virtually no classical or philosophical works were translated neither was a knowledge of Greek which would have provided access to the originals widespread The result was an unreasoning adherence to ritual forms Western ideas

which began to penetrate into Muscovy in the 17th century were not absorbed by Russian culture but fundamentally reshaped it and the result led to a schism within the Church Russia today is Orthodox by religion but Byzantine culture disappeared with Byzantium A major section of addenda takes into account the advances in scholarship since the articles were first published *Stravinsky and the Russian Traditions* Richard Taruskin,1996-07-15 Taruskin demonstrates how Stravinsky achieved his modernist technique by combining what was most characteristically Russian in his musical training with stylistic elements abstracted from Russian folklore The stylistic synthesis thus achieved formed Stravinsky as a composer for life whatever the aesthetic allegiances he later professed *New Zealand Slavonic Journal* ,1990 *Law and Custom in the Steppe* Virginia Martin,2012-10-12 Offers a reconstruction of the social cultural and legal history of the Middle Horde Kazakh steppe in the 19th century using largely untapped archival records from Kazakhstan and Russia and contemporary reports It explores the cross cultural encounter of laws customs and judicial practices in the process of Russian empire building at the local level *Catalogues of Sales* Sotheby Parke Bernet & Co,1982 *Stalin's War Against the Jews* Louis Rapoport,1990 In 1952 nine Kremlin doctors all Jews were seized and accused of plotting to poison the Soviet leaders Rapoport s account of the final 14 months of Stalin s life reveals that the so called Doctors Plot was a culminating step in the dictator s lifelong war against the Jews and argues that only Stalin s sudden death in 1953 prevented the unfolding of his own solution to the Jewish problem in the Soviet Union Annotation copyrighted by Book News Inc Portland OR **Irish Slavonic Studies** ,1996 **Staline, agent du tsar** Roman Brackman,2019-02-06 Le secret inviolable du petit p re des peuplesSix d cennies apr s sa mort on croyait tout savoir de la parano a destructrice de Staline des proc s de Moscou aux bagnes de Sib rie et de l assassinat de Trotski au complot des blouses blanches Sans toujours comprendre les mobiles du tyran C est qu il manquait une pi ce ce jeu de massacre Staline avait amorc sa carri re au service du tsar Fin f vrier 1917 Moscou le quartier g n ral de la police secr te l Okhrana est investi par la foule Mais dans une chambre forte l abri du saccage dorment les dossiers de ses anciens agents Dont celui d ment scell du G orgien Iosif Vissarionovitch Djougashvili Informateur et ex cutant de l Okhrana de 1903 1912 l homme ne se faisait pas encore appeler Staline En juillet 1926 le dossier secret refait surface Felix Dzerjinski chef de la police politique en prend connaissance Deux jours plus tard il s croule pendant son allocution au pl num du Comit central Empoisonn Dzerjinski n est ni la premi re ni la derni re victime du dossier Mais que contient il Essentiellement un rapport tabli en 1913 par le colonel Eremine chef de l Okhrana retra ant le parcours de son agent pendant dix ann es jusqu son adoubement par L nine Staline a patiemment trahi ses camarades Il n est pas difficile de voir quel usage ses adversaires feraient d une telle bombe Aucun de ceux qui l ont ouvert ne doit survivre Chantage complots accidents suicides proc s truqu s ex cutions sommaires ou homicides raffin s Staline ne recule devant rien Ce parcours que d crit Roman Brackman celle d un agent double devenu guide supr me r v le la face cach e de l homme dont L nine dans son Testament recommandait d emp cher tout prix l ascension Un r quisitoire reposant sur des t moignages et
