The Palgrave Handbook of Methodological Individualism Nathalie Bulle, Francesco Di Iorio, 2023-12-28 While methodological individualism is a fundamental approach within the social sciences it is often misunderstood This highlights the need for a discursive and up to date reference work analyzing this approach s classic arguments and assumptions in the light of contemporary issues in sociology economics and philosophy This two volume handbook presents the first comprehensive overview of methodological individualism Chapters discuss historical and contemporary debates surrounding this central approach within the social sciences as well as cutting edge developments related to the individualist tradition with philosophical and scientific implications Bringing together multiple contributions from the world s leading experts on this important tradition of theorizing this collective endeavor provides teachers researchers and students in sociology economics and philosophy with a reliable and critical understanding of the founding principles key thinkers and intellectual development of MI since the late 19th century **Theory of Culture** American Sociological Association, Deutsche Gesellschaft Fur Soziologie Sektion Soziologische Theorien, 1992-01-01 With the increasing focus on the concept of culture by sociologists and other social scientists there is now a need for clarifying and developing theoretical perspectives on this issue The contributors to this volume have answered this call each adding new insight to the debate over culture its definition and its relationship with other basic categories in sociological theory Along the way they touch on other fundamental issues such as the interrelationship of culture with society the human personality and the wider environment of the human condition

**Islam: Source and Purpose of Knowledge** , 1982-01-01 In 1977 1397 A H some of the most committed and concerned Muslim scholars from around the world were invited to attend a major seminar in Switzerland to address the crisis of thought faced by the Muslim Ummah The seminar reflected a general consensus about the need to reform contemporary Islamic thought and to redefine the intellectual and academic basis for the Islamization of knowledge At the beginning of the new Hijrah century 1981 1401 A H the International Institute of Islamic Thought was incorporated in the U S as an Islamic academic and research Institute committed towards working for the reconstruction of Muslim thought and the Islamization of Knowledge As one of its first undertakings the IIIT in cooperation with the National Hijrah Centenary Celebration Committee and the International Islamic University of Islamabad Pakistan sponsored the Second International Conference on the Islamization of Knowledge n 1982 1402 A H Held in Pakistan the conference provided a world wide forum for Muslim scholars and thinkers to report developments in Islamic thought and exchange ideas This book focuses upon 17 selected papers presented at this conference by the distinguished scholars They embrace the critical topics of the Perspective on Islamization of Knowledge the Perspective on the Islamization of Disciplines and Islamizing Individual Disciplines Priority of Needs? Bernhard Kittel, Stefan Traub, 2024-03-29 This book develops an empirically informed normative theory of need based justice summarizing core findings of the DFG research group FOR2104 Need based Justice and Distributive

Procedures In eleven chapters scholars from the fields of economics political science philosophy psychology and sociology cover the identification and rationale of needs the recognition and legitimacy of needs the dynamics and stability of procedures of distributions according to needs and the consequences and sustainability of need based distributions These four areas are studied from the perspective of two mechanisms of need objectification the social objectification by the discursive generation of mutual understanding transparency and the factual objectification by the transfer of decisions to uninvolved experts expertise The volume addresses academics in the fields of justice research ethics political theory social choice and welfare framing individual and group decision making inequality and redistribution as well as advanced students in the contributing disciplines

*Strangers in Paradise* David Mittelberg,1988-01-01 The literature on the Kibbutz is large and sprawling This stands in marked contrast to the intimacy and proximity of the individuals who have actually participated in the life of the Kibbutz In this quite remarkable work David Mittelberg succeeds in capturing the specific life styles and aspirations of the Kibbutzniks And he does so by integrating this within the broad and rich traditions of the sociology of culture and religion *Strangers in Paradise* provides a massive amount of current data on Jewish and non Jewish volunteers division of labor by sex and language of origins demographic characteristics of Kibbutz hosts and recruits and a variety of attitude measures far beyond any other work in the literature But what gives special value to this effort is its unusual utilization of the phenomenological tradition from Simmel to Schutz to Berger and Luckmann along with recent efforts in organization and negotiation theory from Blau to Goffman in order to explicate this massive data A special element in this volume is the central place accorded to voluntarism in an open culture For Mittelberg membership in the Kibbutz is at its core a voluntary act of individuals who commit their lives or a portion thereof to a collective movement in a strange land This is a study then in intentional communities rather than Utopian organizations The synthesis of the concrete and the abstract the empirical and the theoretical will establish Mittelberg s volume as a new standard in Kibbutz studies
