Social Change In Soviet Russia

Joseph I. Zajda

Social Change In Soviet Russia:

Social Change in Soviet Russia Alex Inkeles, 1952 *Social Change and Social Issues in the Former USSR* Walter Joyce, 2016-07-27 Perestroika has led to more openness than ever before about Soviet social problems and it has accelerated the processes of demographic and social change In this collection a group of leading British European and North American specialists analyse the central features of a changing society concentrating upon mortality patterns in the population itself and upon the social problems that have been brought to the fore by glasnost such as drugs and alcohol abuse **Women in Soviet Society** Gail Warshofsky Lapidus, 1978-01-01 From the earliest years of the Soviet regime deliberate transformation of the role of women in economic political and family life aimed at incorporating female mobilization into a larger strategy of national development Addressing a neglected problem in the literature on modernization the author brings an interdisciplinary approach to the analysis of the motivations mechanisms and consequences of the official Soviet commitment to female liberation and its implications for the role of women in Soviet society today She argues that Soviet policy was shaped less by the individualistic and libertarian concerns of nineteenth century feminism or Marxism than by a strategy of modernization in which the transformation of women s roles was perceived by the Soviet leadership as the means of tapping a major economic and political resource Bringing together the available data the author analyzes the scope and limits of sexual equality in the Soviet system and at the same time places the Soviet pattern in a broader historical and comparative perspective Jacket *The Transformation of Russian Society* Joint Committee on Slavic Studies (U.S.), 1960 Scholarly papers by 38 contributors on changes in Russian society since 1861 presented at a conference of the Joint Committee on Slavic Studies Social Change and Modernization Bruno Grancelli, 2011-06-24 No detailed description available for Social Change and Modernization *Health and Social Change in Russia and Eastern Europe* William C. Cockerham, 2002-05-03 For the first time life expectancy is declining in an industrialized society In this pioneering work William C Cockerham examines the social causes of the decline in life expectancy beginning in the 1960s including Russia Poland Hungary Romania Bulgaria the Czech Republic and East Germany Health and Social Change in Russia and Eastern Europe argues that the roots of this change are mainly social rather than biomedical the result of poor policy decisions stress and an unhealthy diet Cockerham presents a theory of postmodern social change that goes beyond the borders of Eastern Europe **Civil Society, Social Change, and a New Popular Education in Russia** W. John Morgan, Irina N. Trofimova, Grigori A. Kliucharev, 2018-10-03 Civil Society Social Change and a New Popular Education in Russia is a detailed account of contemporary issues that draws upon recent survey research conducted by the Institute of Sociology Russian Academy of Sciences as well as from secondary published work in both Russian and English The book explores how social change and developments in civil society are occurring in Russia and the role played by a new popular education The right to lifelong learning is guaranteed by the Russian state as it was by the Soviet Union where formal education based on communist

ideology emphasised the needs of the state over those of individuals In practice a wide range of educational needs many of which relate to coping with changing economic social and technological circumstances are being met by non governmental providers including commercial companies self help groups and community and neighbourhood clubs This book discusses how this new popular education is both an example of developing civil society and stimulates its further development However as the book points out it is also part of a growing educational divide where motivated articulate people take advantage of new opportunities while disadvantaged groups such as the unemployed and the rural poor continue to be excluded

Political and Social Thought in Post-Communist Russia Axel Kaehne, 2007-11-13 This is the first comprehensive study of Russian political and social thought in the post Communist era The book portrays and critically examines the conceptual and theoretical attempts by Russian scholars and political thinkers to make sense of the challenges of post communism and the trials of economic political and social transformation It brings together the various strands of political thought that have been formulated in the wake of the collapsed communist doctrine It engages constructively with the numerous attempts by Russian political theorists and social scientists to articulate a coherent model of liberal democracy in their country The book investigates critical as well as favourable voices in the Russian debate on liberal democracy a debate often marked by eclecticism and at times little conceptual discipline As such the book will be of great interest both to Russian specialists and to all those interested in political and social thought more widely

The analysis of social change reconsidered

J. A. Ponsioen, 2019-03-18 No detailed description available for The analysis of social change reconsidered

Social Stratification and Mobility in the USSR Murray Yanowitch, Wesley A Fisher, 2019-01-15 This title was first published in 1973 The selections from Soviet sociological literature presented in this volume are significant from at least three standpoints First they reveal the extent to which the issue of social and economic inequality has become a subject for legitimate public discussion in the Soviet Union Second these selections offer the reader a means of appraising the quality of work in what under Soviet conditions is the formative period of a new intellectual discipline Third the selections provide abundant empirical evidence bearing on the forms and degrees of inequality currently found in Soviet society

Russia

After Communism Rick Fawn, Stephen White, 2020-04-28 Russia's transition from communism holds great significance not only for itself but also for the wider world This collection of essays examines the spectrum of Russia's transition since 1991 considering not only the pattern of events but also what the changes have meant for Russians themselves

The Psychology of Radical Social Change Brady Wagoner, Fathali M. Moghaddam, Jaan Valsiner, 2018-04-03 Since 2011 the world has experienced an explosion of popular uprisings that began in the Middle East and quickly spread to other regions What are the different social psychological conditions for these events to emerge what different trajectories do they take and how are they represented to the public To answer these questions this book applies the latest social psychological theories to contextualized cases of revolutions and uprisings from the eighteenth to the twenty first century in countries around the

world In so doing it explores continuities and discontinuities between past and present uprisings and foregrounds such issues as the crowds collective action identity changes globalization radicalization the plasticity of political behaviour and public communication

Land Reform in the Former Soviet Union and Eastern Europe Stephen K. Wegren, 2003-10-04 Land reform is a key factor in determining the political economic and social future of the transitional states of the former Soviet Union and Eastern Europe This book represents the first major study in this area Utilizing extensive field work unpublished materials statistical data and interviews with land reform officials the contributors explore the key issues

Stalinism

Robert C. Tucker, 2017-07-05 In the years since Stalin s death his profound influence upon the historical development of Communism has remained elusive and in need of interpretation Stalinism as his system has become known is a phenomenon which embraced all facets of political and social life While its effect upon the Soviet Union and other nations today is far less than it was while Stalin lived it is by no means dead In this landmark volume some of the world s foremost scholars of the subject in a concerted group inquiry present their interpretations of Stalinism and its influence on all areas of comparative Communist studies from history and politics to economics sociology and literary scholarship The studies contained in this volume are an outgrowth of a conference on Stalinism held in Bellagio Italy sponsored by the American Council of Learned Societies In his major contribution to this book Leszek Kolakowski calls Stalinism a unified state organism facing atom like individuals This extraordinary volume augmented by a revealing new introduction by the editor Robert C Tucker can be seen as amplifying that remark nearly a half century after the death of Joseph Stalin himself Contributors to this work are Wlodzimierz Brus Katerina Clark Stephen F Cohen Alexander Erlich Leszek Kolakowski Moshe Lewin Robert H McNeal Mihailo Markovic Roy A Medvedev T H Rigby Robert Sharlet and H Gordon Skilling Robert C Tucker s principle work on Stalin has been described by George F Kennan as the most significant single contribution made to date anywhere to the history of Soviet power

Schooling the New Russians Joseph I. Zajda, 2006 Schooling the New Russians is an important volume for specialists in Russian education and general readers alike It places recent reforms in the context of broader historical developments with a wealth of first hand insight and scholarly research Professor David Turner Faculty of Humanities and Social Sciences University of Glamorgan It is essential reading for anyone seeking to discover what lies below the surface of modernization in Russian education Dr Vera Kaplan The Cummings Center for Russian and East European Studies Tel Aviv University Joseph Zajda reveals in his important new book that Soviet propaganda against capitalism was largely true given what is happening to the Russian education system today This is a compelling and important text Professor Peter McLaren Graduate School of Education and Information Studies University of California Los Angeles Few scholars worldwide possess Professor Zajda s breadth and depth of knowledge of pre and post Soviet schooling and society This text clearly and brilliantly elucidates the reforms the successes and the disappointments of schooling in the evolving New Russia Professor Kas Mazurek Professor Faculty of Education University of Lethbridge Canada

Bibliography of European Economic and Social History Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily *Reports of Surveys and Studies in the Teaching of Modern Foreign Languages, 1959-1961* Modern Language Association of America, 1961 Hermeneutics and Social Transformation Bernard Lategan, 2016-01-15 In a South African context condemning apartheid is not enough To make a non racial democratic inclusive society viable and enduring much more is required of which creative and imaginative theological thinking is not the least Fundamental theological values and their implications for all the facets of society must be thought through not as an academic exercise but as a grass roots undertaking and the greatest challenge is to act in terms of this new understanding of society Bernard Lategan Some implications of the family concept in New Testament texts **Educational Reform in Post-Soviet Russia** Ben Eklof, Larry Eugene Holmes, Vera Kaplan, 2005 A collection of essays which examine the reform of the educational system in post Soviet Russia in historical and comparative perspective **Women, Activism and Social Change** Maja Mikula, 2006-01-16 Throughout history women have participated in and sometimes initiated rebellions to defend the welfare of their family community class race or ethnic group This volume presents original research on women s activism in Asia Europe Australia and Latin America It explores how women have advanced social change and their influence on and response to existing transformations in society Using an interdisciplinary approach the authors examine women s activities and conditions in diverse social and political contexts from revolutionary societies to status quo societies to societies in decline With its primary focus on agency and social change this book deconstructs patriarchal discourses and unearths aspects of female agency in an array of cultural historical and geopolitical contexts Chapters on movements in China Japan Australia Croatia Russia and a range of other countries both contribute to our understanding of change in those societies and seek to locate women at the center of politically aware movements Although not exclusively a book about feminist activism this essential collection is motivated by the feminist desire to restore to history a range of women s experiences This book introduces new ways of thinking across boundaries identities and complexities in a still essentially patriarchal world It will be of great interest to students and researchers in the fields of gender studies activism and comparative politics
