

The background of the entire image is a night scene. At the top, a deep purple sky is filled with small, distant stars. A single, exceptionally bright star is positioned in the upper center, emitting a powerful, multi-colored glow. This glow transitions from a bright white-yellow core to a vibrant blue, then a magenta, and finally a soft purple as it radiates outwards. A thick, vertical beam of this purple light descends from the star, passing through the text and illuminating the town below. The town itself is nestled in a valley, with rolling green hills on either side. The buildings are simple, multi-story structures with white walls and dark roofs, some of which have small yellow lights glowing from their windows. Several tall, slender cypress trees are scattered throughout the landscape, particularly on the hills. The overall atmosphere is serene and magical, evoking the traditional story of the Nativity.
