

THE SOUNDS OF MILAN, 1585-1650

Robert L. Kendrick

Sounds Of Milan 1585 165

Thomas Spencer Baynes

Sounds Of Milan 1585 165:

The Sounds of Milan, 1585-1650 Robert L. Kendrick, 2002 Examines the cultural contexts of music in early modern Milan This book describes the buildings that served as performance spaces in Milan analyses the power structures in the city and discusses the devotional rites of the Milanese

The Gesualdo Hex: Music, Myth, and Memory Glenn Watkins, 2010 A riveting investigation of one of the most provocative musicians of the Renaissance who continues to captivate composers artists and audiences today In this vivid tale of adultery and intrigue witchcraft and murder Glenn Watkins explores the fascinating life of the Renaissance composer Carlo Gesualdo a life suffused with scandal and bordering on the fantastical An isolated prince Gesualdo had a personal life that was no less eccentric and bewildering than the music he composed his biography has often clouded our perception of his oeuvre which music scholars have periodically dismissed as a late Renaissance deformation of little consequence Today however Gesualdo s music once deemed so strange as to be unperformable stands as one of the most vibrant legacies of the late Italian Renaissance with an undeniable impact on a host of twentieth century musicians and artists The incendiary details of Gesualdo s life recede and his grip on our musical imagination comes to the fore Watkins challenges our preconceptions of what has become a nearly mythic persona weaving together the cumulative experience of some of the most vibrant artists of the past century from Stravinsky and Schoenberg to Abbado and Herzog Beyond questions of mere influence however The Gesualdo Hex offers a profound meditation on cultural memory and historical awareness how composers attempt to shape the legacy they will bequeath to the world and how music and history inevitably take on a new guise as they are revisited by subsequent generations and reinterpreted in light of contemporary experience In examining Gesualdo s life music myth and memory intertwine with one another to reveal an uncanny affinity with our own time With his elegant and engaging prose Watkins asks us to grapple with our understanding not only of art and the artists who create it but also of history itself
