Sounds Of People And Places A Geography Of American Folk And Popular Music

Didier Musso

Sounds Of People And Places A Geography Of American Folk And Popular Music:

The Sounds of People and Places George O. Carney, 1994-05-05 This edition of this classroom anthology brings together recent essays by established geographers on region music and their inter relatedness **The Sounds of People and Places** George O. Carney, 1987 *Sound, Society and the Geography of Popular Music* Dr Ola Johansson, Professor Thomas L Bell, 2012-11-28 Popular music is a cultural form much rooted in space and place This book interprets the meaning of music from a spatial perspective and in doing so it furthers our understanding of broader social relations and trends including identity attachment to place cultural economies social activism and politics The book s editors have brought together a team of scholars to discuss the latest innovative thinking on music and its geographies illustrated with a fascinating range of case studies from the USA Canada the Caribbean Australia and Great Britain *Sound, Society and the Geography of Popular Music* Thomas L. Bell, 2016-04-01 Popular music is a cultural form much rooted in space and place This book interprets the meaning of music from a spatial perspective and in doing so it furthers our understanding of broader social relations and trends including identity attachment to place cultural economies social activism and politics The book s editors have brought together a team of scholars to discuss the latest innovative thinking on music and its geographies illustrated with a fascinating range of case studies from the USA Canada the Caribbean Australia and Great Britain Continuum Encyclopedia of Popular Music of the World, Volume 1 John Shepherd, David Horn, Dave Laing, Paul Oliver, Peter Wicke, 2003-03-06 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular music industry such as copyright instrumental manufacture management and marketing record corporations studios companies and labels Entries include bibliographies discographies and filmographies and an extensive index is provided This and all other volumes of the Encyclopedia are now available through an online version of the Encyclopedia https://www.bloomsburypopularmusic.com/encyclopedia/work/docid/BPM_reference_EPMOW A general search function for the whole Encyclopedia is also available on this site A subscription is required to access individual entries Please see <https://www.bloomsburypopularmusic.com/> for librarians *The Sounds of People and Places* George O. Carney, 2003 The new edition of this popular anthology brings together the best recent essays by distinguished geographers on region music and their interrelatedness While emphasizing the regional nature of American music the book introduces geographical concepts such as location factors spatial organization distribution and diffusion The study follows the paths of four types of American folk and popular music gospel country jazz and rock from their origins to their geographic centers *Exploring American Folk Music* Kip Lornell, 2012-05-29 The perfect introduction to the many strains of American made music *West Texas* Paul H.

Carlson, Bruce A. Glasrud, 2014-03-04 Texas is as well known for its diversity of landscape and culture as it is for its enormity. But West Texas, despite being popularized in film and song, has largely been ignored by historians as a distinct and cultural geographic space. In *West Texas: A History of the Giant Side of the State*, Paul H. Carlson and Bruce A. Glasrud rectify that oversight. This volume assembles a diverse set of essays covering the grand sweep of West Texas history from the ancient to the contemporary. In four parts comprehending the place, people, politics, and economic life and society and culture, Carlson and Glasrud and their contributors survey the confluence of life and landscape shaping the West Texas of today. Early chapters define the region. The giant side of Texas is a nineteenth-century geographical description of a vast area that includes the Panhandle, Llano Estacado, Permian Basin, and Big Bend Trans-Pecos country. It is an arid, windblown environment that connects intimately with the history of Texas culture. Carlson and Glasrud take a nonlinear approach to exploring the many cultural influences on West Texas, including the Tejanos, the oil and gas economy, and the major cities. Readers can sample topics in whichever order they please, whether they are interested in learning about ranching, recreation, or turn-of-the-century education. Throughout, familiar western themes arise: the urban growth of El Paso is contrasted with the mid-century decline of small towns, and the social shifting that followed. Well-known Texas scholars explore popular perceptions of West Texas as sparsely populated and rife with social contradiction and rugged individualism. West Texas comes into yet clearer view through essays on West Texas women, poets, Native peoples, and musicians. Gathered here is a long overdue consideration of the landscape, culture, and everyday lives of one of America's most iconic and understudied regions.

Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America. This distinction is important considering the following NPR report by Eyder Peralta: Based on the first national numbers released by the Census Bureau, the AP reports that minorities account for 90 percent of the total U.S. growth since 2000 due to immigration and higher birth rates for Latinos. According to John Logan, a Brown University sociologist who has analyzed most of the census figures, the futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations. Both non-Hispanic whites and blacks are getting older as a group. These groups are tending to fade out, he added. Another demographer, William H. Frey with the Brookings Institution, told *The Washington Post* that this has been a pivotal decade: We're pivoting from a white-black dominated American population to one that is multiracial and multicultural.

Multicultural America: A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries, not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today. Pedagogical elements include an introduction, a thematic reader's guide, a chronology of multicultural milestones, a glossary, a resource guide to key books, journals, and Internet sites, and an appendix of 2010 U.S. Census Data. Finally, the electronic version will be the only reference

work on this topic to augment written entries with multimedia for today's students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title's editors The Women of Country Music Charles K. Wolfe, James E. Akenson, 2021-10-21 Women have been pivotal in the country music scene since its inception as Charles K Wolfe and James E Akenson make clear in The Women of Country Music Their groundbreaking volume presents the best current scholarship and writing on female country musicians Beginning with the 1920s career of teenage guitar picker Roba Stanley the contributors go on to discuss Polly Jenkins and Her Musical Plowboys 50s honky tonker Rose Lee Maphis superstar Faith Hill the relationship between Emmylou Harris and poet Bronwen Wallace the Louisiana Hayride's Margaret Lewis Warwick and more
