South African Tragedy Jan Hofmeyr:

South African Tragedy Alan Paton, 1965 *The Man Who Killed Apartheid: The Life of Dimitri Tsafendas* Harris Dousemetzis, 2024-03-04 On 6 September 1966 inside the House of Assembly in Cape Town Dimitri Tsafendas stabbed to death Hendrik Verwoerd South Africa's Prime Minister and so called architect of apartheid Tsafendas was immediately arrested and before he had even been questioned by the authorities they declared him a madman without any political motive for the killing In the Cape Supreme Court Tsafendas was found unfit to stand trial on the grounds that he suffered from schizophrenia and that he had no political motive for killing Verwoerd Tsafendas spent the next 28 years in custody making him the longest serving detainee in South African history For most of his incarnation he was subjected to cruel and inhumane treatment by the prison authorities From 2009 to 2018 Harris Dousemetzis extensively researched the assassination of Verwoerd and the life of Tsafendas For this research he travelled to South Africa Mozambique Greece France and Turkey and interviewed about 150 people who either knew Tsafendas or Verwoerd or were involved with the case of the assassination He discovered about 12 000 pages of documents on the case most of them previously unpublished in archival collections in South Africa Portugal and the UK Dousemetzis collaborated with prominent South African jurists psychiatrists and psychologists and concluded his research by writing the Report to the Minister of Justice in the Matter of Dr Verwoerd's Assassination The report conclusively proved that Tsafendas had assassinated Verwoerd for political reasons and that the apartheid authorities had orchestrated a massive operation to declare him insane and apolitical This ground breaking report and this book corrected the historical record regarding Verwoerd's assassination and Tsafendas *The Man Who Killed Apartheid* based on Dousemetzis's groundbreaking research chronicles in detail Tsafendas's life and conclusively demonstrates that he was a perfectly sane and deeply political person with a long history of political activism At the same time the book exposes the lie at the heart of apartheid's posture on the assassination of Hendrik Verwoerd and provides a rare picture of how the racist regime operated and what it was like to live and die under apartheid *Under Smuts's Rule* Bongani Ngqulunga, 2025-11-05 Jan Smuts is revered by some as a national and international statesman but he is condemned by others as an architect of segregation In his new book prize winning author Bongani Ngqulunga examines how Smuts's political life affected black South Africans The book considers Smuts's role in the treaty ending the Anglo Boer War and in the creation of the Union of South Africa and how these affected the rights of black people It tracks Smuts's approach to the Native question as a minister under Louis Botha as prime minister from 1919 to 1924 and from 1939 to 1948 and in opposition to and then fusion with J B M Hertzog's National Party Analysing letters speeches and other documents the book unpacks Smuts's thinking and how it affected his approach to the franchise segregation and suppression of dissent Tracing the currents in black politics it presents the views of African leaders on Smuts and his policies figures such as Sol Plaatje D D T Jabavu Z K Matthews A B Xuma and later on Albert Luthuli and Nelson Mandela The book demonstrates how Smuts

evolved in his views eventually coming to recognise that segregation had failed But the reforms he introduced in the 1940s were too little too late and were swept away by the National Party and its policy of apartheid Giving a balanced view that is both respectful and critical Under Smuts's Rule is a vital addition to the literature on Smuts and to South African history

British Royal Visits and Black Loyatism in Twentieth-century Southern Africa Hilary Sapire, 2024-10-31 Exploring the entwined histories of British royal visits to Southern Africa in the twentieth century this book analyses the clashing voices of dissent and cheering crowds that accompanied royal tours providing insight into the shifting nature of Black loyalism Originating in the Indigenous empire loyalism of eighteenth century Canada Black loyalism encompassed loyalty to the British crown and a shared ideology of rights and entitlements which positioned the crown as a source of protection against white settler rapacity colonial violence and racial oppression However expressions of monarchical devotion were often double edged and addressed the fundamental contradiction of a crown that was both the source of rights and complicit in colonial conquest appropriation and misrule It was on royal occasions such as jubilees coronation celebrations and especially royal visits when the sovereign was literally amongst their more distant subjects that loyalist sentiment was rekindled reinvented and made directly relevant to the concerns of the day By analysing change and continuity in Black perspectives towards both the British and Indigenous African monarchy during these visits this book offers a fruitful way into examining an array of Black Southern African discourses on governance political values and cultural identities across the region It argues that the refashioning of British imperial monarchy in the twentieth century was profoundly shaped by African initiatives and re imaginings and provides valuable reading for those researching imperialism popular attitudes to the British monarchy in the twentieth century and the diverse politics and identities of southern Africa
