South Vietnam: U.S.-Communist Confrontation in Southeast Asia: 1971 Lester A. Sobel,1966 **The Second Indochina War** Ang Cheng Guan,2025-11-03 Drawing upon Vietnamese Chinese former Soviet and American sources Ang Cheng Guan provides an updated and concise account of the Vietnam War 1954 1975 from the Vietnamese communists perspective In the last few decades discourse on the Second Indochina War has shifted towards the South and its allies To mark the 50th anniversary of the fall of Saigon Ang revisits the experiences of the North Focusing on scholarship published within the last 30 years the book reexamines the 1954 Geneva Conference the end of the First Vietnam War through the Second Vietnam War to the 1975 Fall of Saigon bringing readers up to date on the current state of the field This book is a valuable resource for scholars and students of history war studies peace and conflict studies as well as for those interested in the historical and contemporary implications of the Vietnam War Unheralded Victory Mark Woodruff,2005-10-25 Along with a half million other young men Mark Woodruff put his life on the line to serve his country in Vietnam Like so many others he returned home to find himself regarded not as a hero but as a humiliating reminder of the only war the United States ever lost This Marine however is determined to set the record straight Woodruff never wavers from the cold hard facts in this riveting book Battle by battle Unheralded Victory provides incontrovertible proof that the United States won this war from the vaunted 1968 Tet Offensive in reality a shattering defeat that decimated the Viet Cong to Linebacker II the final knockout blow that forced North Vietnam to the table Make no mistake our warriors in Vietnam were victorious It s time America sat up and took notice The Publishers' Trade List Annual ,1980 **World Justice** ,1970 **Hanoi's Road to the Vietnam War, 1954-1965** Pierre Asselin,2015-08-18 Using new and largely inaccessible Vietnamese sources as well as French British Canadian and American archives Pierre Asselin sheds valuable light on Hanoi s path to war Step by step the narrative makes Hanoi s revolutionary strategy from the end of the French Indochina War to the start of the Anti American Resistance Struggle for Reunification and National Salvation the Vietnam War transparent The book reveals how North Vietnamese leaders moved from a cautious policy emphasizing nonviolent political and diplomatic struggle to a far riskier pursuit of military victory United States Army Combat Forces Journal ,1980 **Britain, America, and the Vietnam War** Sylvia Ellis,2004-05-30 This work presents an examination of the impact of the Vietnam War on the Anglo American special relationship during the years of the Johnson presidency *Triumph Forsaken* Mark Moyar,2006-08-28 Drawing on a wealth of new evidence from all sides Triumph Forsaken first published in 2007 overturns most of the historical orthodoxy on the Vietnam War Through the analysis of international perceptions and power it shows that South Vietnam was a vital interest of the United States The book provides many insights into the overthrow of South Vietnamese President Ngo Dinh Diem in 1963 and demonstrates that the coup negated the South Vietnamese government s tremendous and hitherto unappreciated military and political gains between 1954 and 1963 After Diem s assassination President Lyndon Johnson had at his disposal

several aggressive policy options that could have enabled South Vietnam to continue the war without a massive US troop infusion but he ruled out these options because of faulty assumptions and inadequate intelligence making such an infusion the only means of saving the country **Cumulated Index to the Books** ,1969
