independence has not produced inclusive institutions economic growth or social stability for most Africans it has merely transferred the benefits of exploitation from colonial Europe to a tiny African elite Contributors investigate representations of colonial and postcolonial exploitation in literature and rhetoric covering works from African writers such as Ngugi wa Thiong'o Kwame Nkrumah and Bessie Head It then moves to case studies drawing lines between colonial subjugation and present day challenges through essays on Mobutu's Zaire Nigerian politics the Italian colonial fascist system and more Together these essays look towards how African states may transform their institutions and rupture lingering colonial legacies *The Regional Travel Guide for Gauteng (Johannesburg, Pretoria) (South Africa)* YouGuide Ltd,
