SOUTH AFRICA IN TRANSITION

New Theoretical Perspectives

South Africa In Transition New Theoretical Perspectives

Aletta J. Norval, David Howarth

South Africa In Transition New Theoretical Perspectives:

South Africa in Transition Aletta J. Norval, David Howarth, 2016-07-27 *South Africa in Transition* utilises new theoretical perspectives to describe and explain central dimensions of the democratic transition in South Africa during the late 1980s and early 1990s covering changes in the politics of gender and education the political discourses of the ANC NP and the white right constructions of identity in South Africa s black townships and rural areas the role of political violence in the transition and accounts of the democratization process itself

South Africa in Transition David R. Howarth, Aletta J. Norval, 2003

Maintaining Apartheid or Promoting Change? Abdulkader Tayob, Wolfram Weisse, Carel Aaron Anthonissen, Wolfram Weie, Accompanying CD ROM contains a video documentation on cd rom Page 323

Issues and

Methods in Comparative Politics Todd Landman, 2002-01-04 Why do we compare nations How do we compare nations What are the big issues in comparative politics *Issues and Methods in Comparative Politics* provides students with the answers to these fundamental questions It is an accessible and user friendly text which explores the strategies of comparative research in political science This book has been designed to make a complex subject easy and accessible to students Features of this textbook include briefing boxes located throughout which explain key concepts and ideas suggestions for further reading at the end of each chapter a glossary of terms

South Africa, Past, Present and Future

Tony Binns, Alan Lester, Etienne Nel, 2014-09-25 This is the first book to combine a discussion of post apartheid development initiatives with an extended historical analysis of South Africa s dynamic race class gender and ethnic identities Bringing together the research of an historical geographer and two development geographers the book enables us to locate the post apartheid transition in a broad historical and spatial perspective Within this perspective the limitations as well as the achievements of South Africa s current transformation are highlighted

The Legacies of Law Jens

Meierhenrich, 2008-10-13 Focusing on South Africa during the period 1650 2000 this book examines the role of law in making democracy work in changing societies *The Legacies of Law* sheds light on the neglected relationship between path dependence and the law Meierhenrich argues that legal norms and institutions even illiberal ones have an important and hitherto undertheorized structuring effect on democratic outcomes Under certain conditions law appears to reduce uncertainty in democratization by invoking common cultural backgrounds and experiences In instances where interacting adversaries share qua law reasonably convergent mental models transitions from authoritarian rule are shown to be less intractable Meierhenrich s historical analysis of the evolution of law and its effects in South Africa during the period 1650 2000 compared with a short study of Chile from 1830 1990 shows how and when legal norms and institutions serve as historical causes to both liberal and illiberal rule

Political Memory and the Aesthetics of Care Mihaela

Mihai, 2022-01-11 With this nuanced and interdisciplinary work political theorist Mihaela Mihai tackles several interrelated questions How do societies remember histories of systemic violence Who is excluded from such histories cast of characters

And what are the political costs of selective remembering in the present Building on insights from political theory social epistemology and feminist and critical race theory Mihai argues that a double erasure often structures hegemonic narratives of complex violence of widespread heterogeneous complicity and of impure resistances not easily subsumed to exceptionalist heroic models In dialogue with care ethicists and philosophers of art she then suggests that such narrative reductionism can be disrupted aesthetically through practices of mnemonic care that is through the hermeneutical labor that critical artists deliver thematically and formally within communities space of meaning Empirically the book examines both consecrated and marginalized artists who tackled the memory of Vichy France communist Romania and apartheid South Africa Despite their specificities these contexts present us with an opportunity to analyze similar mnemonic dynamics and to recognize the political impact of dissenting artistic production Crossing disciplinary boundaries the book intervenes in debates over collective responsibility historical injustice and the aesthetics of violence within political theory memory studies social epistemology and transitional justice

Ethnicity and Nationalism in Africa P. Yeros, 2016-07-27 Ethnicity and Nationalism in Africa features a series of constructivist contributions by leading scholars in the field of ethnicity and nationalism and explores the differences among those who have come to be known as constructivists The contributors reflect upon ongoing methodological debates in ethnography historiography and political theory They demonstrate the diversity of concepts and methods within constructivism and assess the political implications of the concepts themselves The debate between them is inter disciplinary critical and innovative and should be of value to anyone interested in the study of ethnicity and nationalism

The Wiley-Blackwell Companion to Political Sociology Edwin Amenta, Kate Nash, Alan Scott, 2016-09-26 The Wiley Blackwell Companion to Political Sociology is a complete reference guide reflecting the scope and quality of the discipline and highlighting emerging topics in the field Global in focus offering up to date topics from an interdisciplinary international set of scholars addressing key issues concerning globalization social movements and citizenship The majority of chapters are new including those on environmental politics international terrorism security corruption and human rights Revises and updates all previously published chapters to include new themes and topics in political sociology Provides an overview of scholarship in the field with chapters working independently and collectively to examine the full range of contributions to political sociology Offers a challenging yet accessible and complete reference guide for students and scholars

Hitmen for Hire Mark Shaw, 2017-07-10 Hitmen for Hire takes the reader on a journey like no other navigating a world of paid hitmen informers rogue policemen criminal taxi bosses gang leaders and crooked politicians and businessmen Criminologist Mark Shaw examines a society in which contract killings have become commonplace looking at who arranges hits where to find a hitman and even what it is like to operate as a hitman or woman Since 1994 South Africa has seen a worrying increase in the commercialisation of murder and has been rocked by several high profile contract killings Drawing on his research of over a thousand incidents of hired assassinations from 2000 to 2016 Shaw reveals how

these murders are used to exert a mafia type control over the country's legal and illegal economic activity Contracted assassinations and the organised criminal activity behind them contain sinister linkages with the underworld most visibly in relation to disputes over tenders and access to government resources State security actors increasingly mediate relations between the under and upper worlds with serious implications for the long term success of the post apartheid democratic project

Whispering the Techniques of Language: An Emotional Journey through **South Africa In Transition New Theoretical Perspectives**

In a digitally-driven earth wherever displays reign great and quick interaction drowns out the subtleties of language, the profound techniques and mental nuances hidden within words frequently move unheard. Yet, nestled within the pages of **South Africa In Transition New Theoretical Perspectives** a interesting fictional value sporting with fresh emotions, lies an exceptional journey waiting to be undertaken.
